Basketball

Much progress and hard work has been shown recently in basketball.

Before examinations Greensboro High played Reynolds High, and Greensboro won with a score of 25-23 in the last thirty seconds of the game. Tharon Sewell had a high score of 17 points, while Elva Slate, a sophomore, also played well on the Varsity.

January 31 was the date of the Greensboro-High Point game. High Point won with a score of 39-27, while at the half the score was 25-9 High Point's favor. This game was broadcast from the school in High Point.

The Varsity team consists of: Elva Slate, Tharon Sewell, Wilma Swiggett, forwards, and Anne Allred, Becky Pappas, and Marie Sizemore, guards, all of whom are good players. Other players were Barbara McIver, Judy Elkins, Carole Williams, Jan Richmond, Rita Bumgarner, and Barbara Parker who are all experienced hands at the game of basketball. Many of the shots were from a distance, by Tharon Sewell, while Elva Slate played a good game in the second half.

The scores for the game of the Junior Varsity were: Reynolds 13, Greensboro 4; High Point 14, Greensboro 14.

Other games played were Winston there on February 10, and High Point here on February 14, Valentine's Day.

Skating

Another well-liked sport during this season is skating. The Greensboro Roller Club of the Greensboro Roller Rink is well under way in practicing for the R. S. R. O. A Proficiency Dance test which will be this Saturday. They have been practicing for several months and have been having special practices for the last month.

They will have two tests Saturday. The first will be the Bronze Bar Test and the second will be the Bronze Metal Test. (The Bronze Metal is for more advanced skaters who have already passed the Bronze Bar.)

The Bronze Bar consists of three dances and the Bronze Metal consists of six.

There are some students from Senior High in the test. They are as follows: Don Johnson, Bobbie Anne Clarke, Norma Jean Sparks, Moddie Pugh and Jack Carter. There are former students, and the Pro L. H. Carter is also a former student.

The judges for the test are Nola Rinchie, Robert Seigfried, and Homer McMahon, who all are from Washington, D. C.

Nola Rinchie has the Bronze Bar, Bronze Medal, Silver Medal, and Gold Medal with the Gold Medal being the highest one possible to get. Robert Seigfried and Homer McMahon have the Bronze Bar, Bronze Medal, and Silver Medal. All of them have placed in the National and American championships.

Saturday night after the test, Nola and Robert will do some pair skating in an exhibition and Homer will do a Free Style.

Next Wednesday night the club will start practicing for the Southern Regional Championships, which will be in Atlanta, Georgia.

The girls in the above picture are members of the varsity basketball team. On the front row, showing from left to right, are Wilma Swiggett, Tharon Sewell, Elva Slate, Anne Allred, Barbara Parker; second row, Sadie Stanley, Barbara McIver, Becky Pappas, Janice Richmond, and Marie Sizemore.

The lady and her dog boarded a train for a cross country trip. When the conductor approached her, she said, "I presume sir that since I have purchased a first class ticket for my "Cuddles," she'll be permitted to ride on a seat just like other passengers." "Yes, Madam," replied the conductor. "She'll be permitted to ride in a seat, provided of course, she doesn't put her feet on the upholstery." Lenoir High

The Georgia Tech College Inn in Atlanta, Georgia, is a favorite haunt of the Georgia Tech students. That's because the Georgia Tech College Inn is a friendly place, always full of the busy atmosphere of college life. There is always plenty of ice-cold Coca-Cola, too. For here, as in university gathering spots everywhere—Coke belongs.
