Daily Doubles

By Evelyn Sink

This couple are both Seniors. They have been going together since they were in the eighth grade at Gillespie. They started going steady in April of '47. Their favorite song is "MY LOVE LOVES ME." He likes everything about her and vice versa. Her pet peeve is that he is always trying to force her to eat.

Who are they? The couple appearing in the last issue of *High Life* were Hutson Moody and Betty O'Conner.

Girls, don't get excited when the driving teacher says he is going to teach you to park. It isn't what you think it is.

Les Soeurs:

The Les Soeurs acted as master of ceremonies on the weekly Youth Center radio program, January 28. On Monday night, January 30, the club honored Mrs. Bob Wilmoth, formerly Miss Martha Everitt, was a past president of Les Soeurs.

Serious discussion was made at the last meeting, February 1, about the club's annual Saint Patrick's Day Dance. The members voted to have it March 17, at Starmount Country Club.

W. S. T.'s

The W. S. T.'s met Thursday night, January 2, 1950, at Leeta Highfill's home, and new officers and new members were voted upon. They are planning their first initiation to be in several weeks, and plans are being made for a dance in April. The new officers were: President, Carol Harrison; vice-president, Jackie Aubert; secretary, Beverly Hall; treasurer, Jean Yandle; and Youth Center representative, Barbara Hutton. The club plans to become larger and more active in the next few months.

Former GHS Student Is Making Good

Irvin Buckner, 1949 graduate of Senior High and a very active member of the Greensboro Club, is now a Special Agent for the Provident Mutual Life Insurance Co. One of his attractive calendars if very prominently displayed in the classroom where he sat last year, and so enthusiastically entered into class discussions. He urged his fellow classmates to "get on the ball" and learn their bookkeeping (by means of Hanson's Store Set). "Buck" will be well remembered by many D. E. club members as one of the winning speakers at the Luncheon during the State Convention last April. We wish him much luck and are very proud of his success.
