

### Whirlies Defeat Winston Demons

The old gym on the Senior High campus was really rockin' on Valentine's night. It wasn't a dance—but another victory for a team that's hungry for a state championship. The boys from the Twin City were stubborn opposition and not until the closing minutes of the game did they start to lag behind. However, the Demons jumped to a 6-1 lead early in the first quarter on baskets by Shore and Goodson. The Whirlies fought back with baskets by Campbell and Kincaid, but Winston refused to give up the lead and they succeeded in leaving the floor with a 27-24 lead over the Whirlies at half-time.

At the start of the second half the Demons jumped to a six-point lead and it looked like an upset was in the making, but the Whirlies came to life in the last quarter and came within 41-40 on Bill Campbell's layup. Captain Lindy Brown added two foul shots and the Whirlies were ahead 42-41. Brown hit again but Goodson added a foul; then Jack Thomas came through with a lay-up to ice the game. Campbell hit from the foul line as the game ended with the Whirlies in undisputed second place, as Salisbury dumped Burlington 31-25.

### First Choices Named By Siler and Johnson

The Duke Blue Devils will have another ex-Whirlie for football practice when the season begins next fall. Leon Siler, big, husky 205-pounder, who did his roaming the football field from the tackle slot, plans to enroll at the college already blessed with numerous Greensboro football greats. J. M. Self and Zander Sherrill are also there.

Stanly Johnson, son of our own "Jabbo," entered Wake Forest this spring and will play baseball. Last season he was one of the mainstays of the Whirlie hurling staff and contributed many victories at the expense of opponents.

### SHORT SPORTS . . . By CHINK

**BASKETBALL . . .** Hot dog, the Whirlies will be making a trip to Durham next month . . . High Point's Jack Powell has the mumps. Looks like he's pulling a Dick Dickey with the tournament coming up March 9 . . . The III-Y squeezed past the Key Club this past week, 37-34. Pretty close game, huh? Hey, we hear from reliable sources that Jack Hurd can really hit those shots from the deep corners of the court. How 'bout it, Jack?

**WRESTLING . . .** Abbie Keyes tells us that his injuries have healed and he's back out again working with the other grunt and groan boys. . . Why is Bill Beck afraid of a figure four? Just ask Coach Baker. . . The last census showed that most of the wrestlers have those pretty red matburns.

**FOOTBALL . . .** Where did Bob Murray get "Elbows" for a nickname? We believe that if Archie Morris would play football as hard as he chases girls, he'd be a cinch for All-State . . . Greensboro's loss was Duke's gain when Leon Siler decided to continue being a Devil.

Hey, Leon, someone told us you were going to major in Latin! . . . The boys in the football class know why Ken Callendar's nose is crooked—ask little Pancho from Mexico. It seems that Pancho was a little anxious to block Ken in the Whirlie-Mexico City game and accidentally punched him in the nose.

**GOLF . . .** It won't be long before the Senior High duffers are out tramping the local golf courses. A good year is in store for the Whirlie team as many lettermen are returning, including Don Smith, Frank Little, Marvin Perrin, Kemp Clendenin, and David Bradley.
