### Clendenin Swears In Officers; Highlights Of Year Are Given

"During the past year the student council has promoted many successful projects. In all, I think each one of you will agree that this has been a successful year. I will try next year to promote any projects or programs that will benefit you, the students, and faculty and that will be a benefit to our school. We want to make you proud of your student council and Greensboro Senior High School," quoted Jerry Bryan in assembly.

Tuesday morning, May 9, before the student body in regular weekly assembly, Jerry Bryan, Betty Jo Benfield, Anne Wrenn, Jimmy Betts and Bill Sartin took the oath of office as the newly elected school officers for 1950-51.

#### Other Officers Recognized

After swearing in these, Kemp Clendenin, the outgoing president of the school, recognized the rising Junior class officers: Bobby Clark, president; and Catherine Bobbitt, vice president; Mary Wisseman, secretary; Ruth Ann Neilson as treasurer. #### Years Highlights Reported

While the student body remained standing, the assembly was opened with the Star Spangled Banner sung by Paul Smith. Lining Burnett read the devotion. During the course of the program the secretary, Henrietta Bell gave a report on the highlights of the year concerning the student council.

The welcome committee under Beverly Hall, had a desk put in the hall from which any guests are received or information concerning the school is given out. The social committee had a party for the new council members last fall, sponsored a barn dance and the Christmas dance, and is now planning for the biggest social of the year, the annual Senior Prom. Bill Ferguson and his traffic committee took the parking lot and traffic as their main objectives while Alex Panas and Sheow Fu Seen revised the hand book, "Whirlie," which is now being printed.

Sheow Fu Seen and the Election committee conducted two elections: in the fall for the Sophomore officers and the present election. Connie Curry in the field of Inter-School Relations wrote letters to schools, inviting representatives to different events and Sallie Boren through the Welfare committee has sent cards to students who have had bereavements in the family.

### High Life Is Awarded Rating of Excellent

HIGH LIFE was recently entered in the 42nd National Scholastic Press Association All-American Critical Service, and it received a rating of excellent. The score was 890 out of a possible 1,000.

Subjects taken into consideration by the judges were news values, sources, news writing, editing, headlines, typography, make-up, special feature stories, and department pages. Critics carefully consider special problems, and a complete report of the local situation is studied.

Specific comments voiced by the judges were: "Staff does an effective job of gathering school news, the Other Side of the Desk is an excellent idea for feature series, effectively designed headlines, and attractive modern typography."

The purpose of this Association is to stimulate higher journalistic achievement by student staffs across the nation, to continue improving student journalism standards, and to help the staffs in the solution of their problems. It provides a practical critical outline from the several viewpoints, common to all school papers. HIGH LIFE is entered in the Senior High Classification under commercially printed publications, twice monthly frequency, and 1,400-1,999 high school enrollment.

Final criticism of the judges was, "HIGH LIFE has much excellent copy of interest." This year's rating is an improvement over that of previous years. The same is true of the Columbia rating.
