

'Whirlie Wimmin'

by SYLVIA IRWIN

Well, Ya'all, only a few more days 'til we begin our wonderful Christmas vacations. Think you can wait? This year will be especially fine, we know . . . at least for our grand basketball team that will be traveling up into Yankee country to display their talents.

Not only do the boys have a fine team, but the girls team this season, will be mighty good, as they have veterans returning to the court. Real good veterans we might add.

This issue, we take pleasure in presenting you readers with some really inside information about the girls in the 6th period Physical Ed. class. Maybe you're wondering how we can find this information . . . well, I happen to be in that particular class.

Well here goes:

The Three Musketeers who are: Hilda Langley, Coleen Hurley, and Carolyn Costner, are some of the best where the game of soccer is concerned.

The Wits are: "Boo" Dempsey, Monkey Sparger and Dottie Dillard, who love that basketball court, but sometimes make the game look like a three-ring circus . . . By the way all three wits go steady.

Becky Phipps is the girl you want to watch where basketball is played. She is one of the very best.

We certainly hope that Santa will be reading this column, because below are listed some of the girls who forgot to write him, and along side appear their wishes for Christmas.

Sara Ann Hickerson leaves the decision up to Santa.

Peggy Thomas, Betty Medders, and Naomi want just plain Snow!

Marie Minor wants a trip to Summerfield.

Edith Perryman, Louise Clark, Helen Buntin, Chris Van Court, Pat Vuncannon, Jan Waddell, "Sparky," and "Jody" Phillips, all wish for their individual Hims.

As for me, I just wish for Peace on Earth, Good Will Toward Men.

Pictured above are some of the members of the 6th period Physical Education class. Left to right, they are: Miss Gabriel, Jan Austin, Monkey Sparger, Chris Van Court, Louise Clark, Pat Vuncannon, Helen Buntin, Marie Minor, Hilda Langley, Becky Phipps, Pat Waddell, Betty Medders, Norma Jean Sparks, Peggy Thomas, and in the center foreground are Boo Dempsey, and Jody Phillips. The girls are bandaging as part of their First Aid training.

Christmas is truly the most wonderful season of the entire year, so to all you wonderful people — Merry Christmas and Happy New Year, everyone!

Hasty Tasty

Meeting the gang to discuss a quiz — a date with the campus queen — or just killing time between classes — the Hasty Tasty is one of the favorite places for rendezvous for students at the University of Wisconsin. At the Hasty Tasty, as in university campus haunts everywhere, a frosty bottle of Coca-Cola is always on hand for the pause that refreshes — Coke belongs.
