

# The Daily Doubles

These two couples are seen together continually at school, on dates, and at the Youth Center.

The couple on the left met at the school library and incidentally they had to leave the library together because of this meeting. Their favorite song is "Our Very Own." He calls her "fathead" and she calls him "conceited" (although she says ("I'm only teasing.") Their pet peeve is arguing with each other. She wants a green Pontiac for Christmas and he wants a cashmere sweater. The have been going together for thirteen months.

The couple on the right met at a party at her house and they have been dating for seven months since then. Her pet peeve is stubbornness. His is girls who smoke. Her pet name for his is "honey." He calls her her "stinky." (Nothing personal of course.) Their favorite song is "No Other Love." For Christmas she wants a black cashmere sweater and he wants the same—blue.  
(The couple in the last issue was Doty Dilliard and Mickey Chamberlee.)
