

## New Class Officers Inaugurated

### Jenkins Scholarships Available to Seniors

About this time of year many firms and various organizations are making it possible for deserving and outstanding students here at Greensboro Senior High School to receive scholarships. Perhaps the most outstanding one before the graduating class at the present time is the Jenkins Scholarship, made possible by the Sears-Roebuck Foundation and Mr. Ort Jenkins, general manager of the Sears Mail Order House in Greensboro. These scholarships, ten of them in number and amounting to one hundred dollars each, are given annually to ten members of the graduating class. To choose the ten students to receive the scholarships a committee composed of the following persons is used: the principal of our school, Mr. A. P. Routh; the Dean of Students, Miss Mary Ellen Blackmon; the chairman of the Senior Class Faculty Committee, Mrs. Nellie Blackburn; and the chairman of the part-time students, Miss Lucille Browne.

To be eligible to receive one of these scholarships, a student must fill out an application blank on which questions of this type are asked: the size of your family, how you plan to finance your college education, whether you plan to be a day or dormitory student, and various other data. The applicant is also asked whether or not he or she has been accepted at the college of his or her choice. Also taken into consideration is the position of leadership held by an applicant while in Senior High School.

Applications are available at the office and will be presented upon request. The winners will be announced at a later date and the presentation will take place while at an assembly.

### Seniors To Have Many Varied Activities

The next few weeks will be full of events and happenings conducive to the grand night of June 1; that is, the seniors will be quite busy for the next few weeks preparing for graduation.

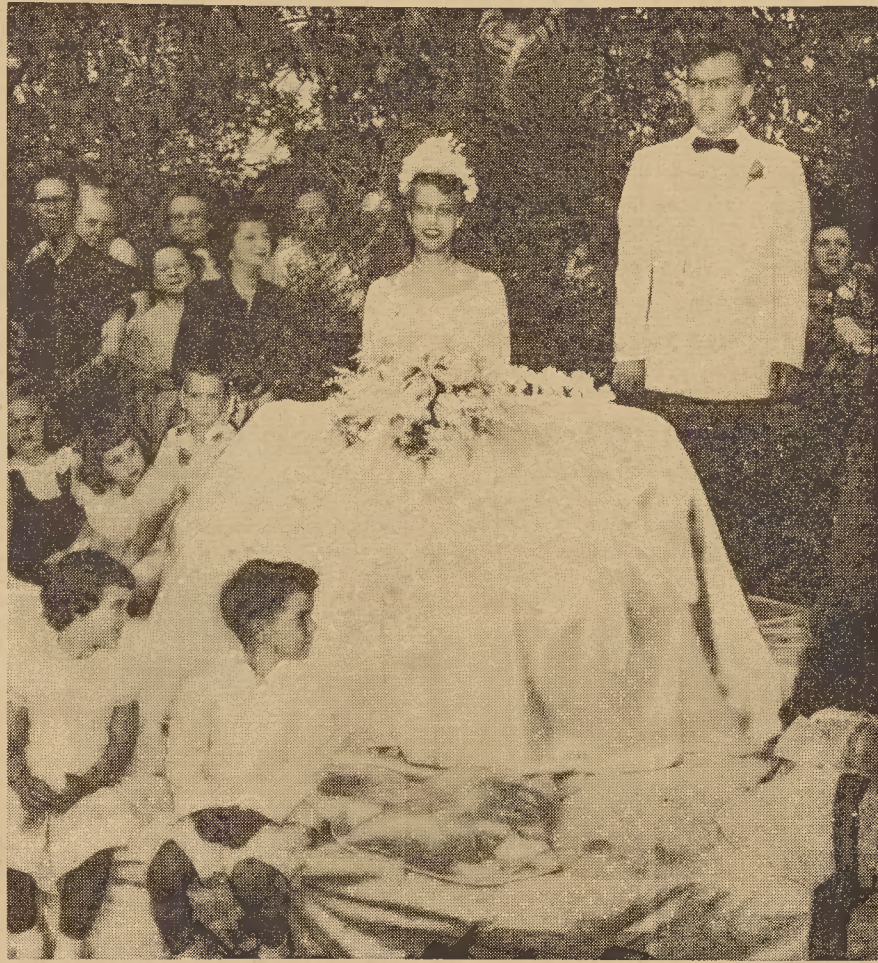

Events get into sway on May 21-May 23. Starting then, caps and gowns are to be used for what a light fee of \$2.25 is charged. The seniors are reminded of the three times they are to wear them. On May 25 at 9 A.M. the class day exercise is slated, followed by a 12:30 luncheon at the Starmount Country Club (which will cost \$1.50); and this in turn is followed by a dance at the Youth Center from 9 P.M. to 12 P.M.. Two days later the Seniors will congregate at the First Baptist Church for the Baccalaureate Sermon by Dr. Claude Bowen, the pastor of the church.

Next comes the only dark shadow on this Seneidielis calendar—exams; on May 28, 29 and 30, the Seniors will be taking their exams. And they are reminded that all fees must be in on or before May 31. Also any make-up or re-exams may be taken (or must be taken) on May 31.

Sure to follow after May 31, of course, is June 1 and this is the night. Graduating seniors are asked to come to school or be at school at 10 A.M. until ??? for a rehearsal of the graduation lineup. Incidentally, their attendance is compulsory. At 8 P.M. their last few hours at G. H. S. will be spent. Key speaker at the graduation exercise is Rev. Kenneth Goodson.

All girls are requested to wear white dresses and white shoes with heels. The boys are requested to wear suits preferably dark, and black shoes, although whites are permissible.

For the seniors not so fortunate as to be able to graduate, a certain routine known as summer school is slated to begin June 4. The cost is \$15 per subject or \$25 for two subjects. (Better hurry to register—the line is getting longer!)

He thanked the various teachers, who had been the advisers, and ended saying that he "would always remember the fine time and gratifying experiences his sojourn at G. H. S. had made possible."

The retiring vice-president, Betty Jo Benfield, said: "This has been the best experience of my life, serving as vice-president for so fine a student body."

Both talks were greeted by thunderous applause and as Jerry retired the student body unanimously sang "Auld Lang Syne."

Before installation began, the student council gave a summary of the work accomplished this year.

The second part of the assembly was taken up with information on DO-DE courses, furnished by Miss Browne and Mr. Jones. This part was witnessed by Juniors and Sophomores, and the Senior Class returned to homerooms.

### Torchlight Society Gives Inductees Party

The party was given in honor of the new members who were inducted into the organization in the spring tapping. The party featured a weiner roast. ### Summer School To Commence June 4; Cost Is Revealed

#### Principal A. P. Routh States Purpose Of Summer Classes

Summer school will begin on Monday, June 4, and will adjourn Wednesday, July 11. It will be held at Senior and all subjects having at least five students registering for the particular subject will be taught. The school week will contain six days with two periods of two and a half hours each.

The cost will be \$15 for one subject, while two subjects may be taken for \$25. There will be no refund for withdrawals after enrollment. Registration will be held on Monday morning, June 4, at 9 o'clock. The student must have his tuition fee at that time. Classes start on the following day, Tuesday, June 5, at 8 o'clock.

The following regulations must be observed. No credit will be given on a subject if the student has more than one unexcused absence, or more than two unexcused tardies. Two subjects is the maximum work that can be taken. Any subject passed in summer school will be given full credit towards eventual graduation.

Mr. Routh said that the purpose of summer school was to give students an opportunity to make up deficits on work, to strengthen themselves by taking extra work, and to get certain enrichment courses that they may not have the time to get during the regular session.
