Barringer Teaches Girls' Gym Classes

While Miss Gabriel was in Atlanta attending a Convention of Physical Education instructors and students in the South, Miss Mattie Barringer took over her duties. Miss Barringer is a Senior at Woman's College. She is President of the Recreational Association at the College and is a link in the Golden Chain, a honor society for outstanding College students.

Miss Barringer is a native of Albemarle, North Carolina, and is majoring in Physical Education.

This was the first time Miss Barringer had substituted for Miss Gabriel, but she was well received by the students. This blond-haired, blue-eyed senior would like to teach Physical Education in some high school following graduation in June.

Members of the Girl's Athletic Council are shown above as they record their points for the past basketball season. Letters are awarded according to the number of points a girl may achieve and thus it is necessary to keep an accurate record for each girl who participates in after school sports. The members are, left to right: Nancy Hithcock, points chairman; Bobbie Stubblefield; Harriet Vaughn, vice-president; Lena McGhee, secretary; Shay Harris, president; and Martha Watkins. The council meets once a week at the homes of their members and there they discuss play days, programs, and have a social hour as well. Miss Margie Gabriel is the faculty advisor for this council.
