

# GHS Female Basketeers End Successful Season

Since the 1952 Girls' Basketball season is drawing to a close, we thought it would be only fitting and proper to give a summary of the games played and also the high scorers of each game.

The season really got off to a bang when our own Whirlie Wimmin played the D. O. Demons in a non-conference game. This game was perhaps the most exciting game of the year because everyone was anxious to see the prospects for 1952 and both teams were giving their best to win. The D. O. Demons lost to the Whirlie Wimmin by a score of 15-11, but next year they will seek their revenge. Harriet Vaughn was high scorer for Greensboro making a total of six points; Peggy Lamb was high scorer for the D. O. Demons making eight points.

Greensboro chalked up their first conference win of the season by defeating Reynolds of Winston-Salem. The score was 20-16 and high scorers for Greensboro were Harriet Vaughn and Rose Edmonson. Chambers of Reynolds was high scorer for her team making eight points.

On January 15, the Greensboro Girls again defeated Reynolds by a score of 45-29. Harriet Vaughn scored eighteen points for Greensboro and Rose Edmonson made eleven. Chambers, Davis, and Luther were high scorers for Reynolds.

Winston's Gray High School went down next before the Greensboro five to the tune of 2-23. This game was thrill packed to the very last minute and had it not been for the fine performance of the guards, the game might have been tragic to Greensboro. Carolyn Walker, Shay Harris, Nancy Haithcock, and Kenan Neece were outstanding in the position of guards.

Greensboro suffered their first defeat of the season to High Point by a score of 22-21. Lena McGhee, Rose Edmonson, Harriet Vaughn, Louise Owens, and Sylvia Winters put in stellar performances as forwards. Herlin of High Point was high scorer for her team as

well as for the game making fourteen points. Harriet Vaughn was high scorer for Greensboro making eight points.

High Point again defeated Greensboro on February 17 by a score of 46-19. Lena McGhee was high scorer for Greensboro making ten points. Jessup of High Point was high scorer for her team making 22 points.

With 34-23 the final score, Gray of Winston handed Greensboro their third defeat of the season. Ally and Long of Winston tied for scoring honors for their team while Harriet Vaughn was high scorer for Greensboro with a total of 16 points.

Although these girls did not go undefeated this year, their school spirit remained mighty high and it is the desire of this writer that members of the student body will get out next year and support the Girls' Basketball team. The team next year will have experience and will be ready to follow in the foot steps of their big sisters. Miss Margie Gabriel, who has given so much of her time to coaching these wonderful gals, should stand up and take a bow. She has created a love of good sportsmanship, a sense of fair play, and a desire to do their best among members of the team. All of this contributes much to our education and it makes us feel good to know we have wonderful teachers such as she on our faculty.

Two red corpuscles were in love. But they loved in vein.

# WHIRLIE WIMMIN

By Lois Pond

On Thursday, February 28 1952, the Junior Varsity of Greensboro Senior High School's girls' basketball team defeated the Curry varsity by a score of 38-10. Sarah Roberts was high scorer for Greensboro completing twenty of the total thirty-eight. Parks was high scorer for Curry making five of the ten points.

Outstanding in the position of forwards were Bobbie Stubblefield, making two points for Greensboro; Jean Austin, making ten points; Betty Lanning, making seven; and Sarah Roberts, making twenty. Sue Carswell, Naomi Wade, and Helen Johnson put in stellar performances as guards.

Parks, McLeod, Watson, Garrison, Moase, Hiatt, and Dogget put in excellent work for Curry as forwards; while Bullock, Paschal, Muir, Edwards, Bowles, and Owen played guards.

Greensboro was able to bucket six of their attempted thirteen free throws; while Curry was able to complete only two of their attempted eight.

Although Curry was not a strong threat to the Greensboro title, the game was an important one because it closed the 1952 basketball season officially, and gave the members of the Junior Varsity their much needed experience. These same girls will move up to the varsity next year, and the opportunity to participate in these Junior Varsity games insures strong starters for the 1953 basketball season.

Jean W. Howard and Carolyn Prillie of Woman's College were referees for the game which was played in the Curry High School Gym.

# Female Athletes To Have Play Day in High Point

Plans are now being formulated for the second annual North Carolina Girls' Playday to be held Saturday, April 26 at the High Point Senior High School. Entrants from all AAA schools in North Carolina are being invited to participate in this event. Should the number of AAA schools interested in this playday not be sufficient, other schools within the state will also be invited.

The activities for the day include numerous track events, tumbling, volley ball, basketball, softball, and other spring sports. School points may be earned in each of these activities. A beautiful trophy will be awarded the school accumulating the highest number of points during the day. The trophy becomes a permanent possession of the lucky school provided it is earned for the third time. Individual certificates will be awarded each participant in the program.

Since winter has said his parting words and spring has made her debut, our own Whirlie Wimmin are making preparations for this long awaited playday. Last year the Greensboro Girls placed second, but they are willin' and ready to make it first place this year. Several members of the physical education classes were chosen to attend the playday last year, and their experience will be a valuable asset to the girls representing G. H. S. this year.

Lil' Dottie Crews and Ann Carlson will be back to threaten the tennis courts, lacking only Barbara McIver, who played with

them last year, to make the threesome complete. Kenan Neece, who won the 100 yard dash last year, will journey to the friendly city entering the relays again. Since the girls have just started their drills and workouts, it is not certain as to who else will enter the activities at this playday. In any event, these gals will give their best to G. H. S.

Mary Jane: "Catherine, do you know how to catch a rabbit?"  
Catherine: "No, how do you catch a rabbit?"

Mary Jane: "Stand behind a tree and make a noise like a carrot."
