

Girl Tumblers Get Set for May Day

The Girls' Physical Education Department is now engaged in preparation for the tumbling acts which will be presented during the annual May Day celebration on May 7. Participants from the five physical education classes are being selected for such acts as the angle balance, the forward rolls, head stands, diving elephant walk, hand stands, cart wheels, back bends, chest rolls, and thigh balances.

After class drills and explanations of the new formations, the girls will be ready to add final touches to their complicated routines. Shay Harris, Nan Ayers, Bobbie Squiers, Leetta Highfill, Gloria McQueen, Cammie Hunt, Sylvia Winters, Harriet Vaughn, Martha Watkins, Louise Owen, Bobbie Stubblefield, Betty Douglas, Shirley Taylor, Peggy Lamb, and Doris Penley have been chosen to take part in this colorful activity.

While rumaging through some old issues of High Life, we came across this little set of rules for the girl tumblers that might be of great value in the days to come.

TUMBLING RULES

Mind these rules, please don't grumble;
Then you too can learn to tumble.
Safety first in every class,
No harm can come to any lass.
Keep a partner near at hand
So she can help you to a stand.
Always tumble on a mat
To break a fall and all o'that.
Don't try any stunts you do not know,
You'll bump your head or break a toe.
Get off the mats when you are through,
So someone won't crash into you.
Do not waste your strength and might,
Just lift a partner who is light,
When you're tired of feeling low,
Don't go on tumbling—my, oh, no!

WHIRLIE WIMMIN

By Lois Pond

On Monday, April 6, thirty girls attended the first softball practice for the 1952 season. The team this year will be out to equal the last year's record and with many newcomers to the spotlight, they should be able to do so.

Sylvia Winters, Jean Austin, Doris Penley and Beverly Dalton will be competing for the pitching position for the Whirlies. Sue Carswell and sophomore Jean Bateman will be behind the plate in the position of catcher. Veteran Martha Watkins is back to retain her first base position; but sophomores Nan Ayers and Shirley Bronson are expected to offer stiff competition for this spot.

With good players like Naomi Wade and Sylvia Smith trying out for second base, it's anybody's guess as to which girl will be selected to represent G. H. S. in that capacity.

Rose Edmonson, Lena McGhee, and Nancy Chamberlain will be striving for the coveted position of third base.

With Kenan Neese, star short stop from the last year's team, out of the picture, four sophomores — Peggy Capps, Rheba Moore, Barbara Dixon, and Harriet Perkins—will be in there trying to nab that position.

Jane Thompson, Mary Trantham, Nancy Hilliard, Sara Roberts, Carolyn Hester, Betty Lanning, Jean Eddins, Willie Eways, Harriet Vaughn, and Louise Owen are trying to gain positions in the field.

Miss Margie Gabriel, who coaches the softball team, has high hopes that the girls can follow their sister Whirlies to the State Tourney. The loss of Exie

Gabriel Meets With Physical Ed Majors

Miss Margie Gabriel recently attended the Southern District Convention of the American Association of Health, Physical Education, and Recreation held in Atlanta, Georgia.

The theme of the meeting was "The Child Is King," and all discussion groups were centered around this theme.

Mr. Charles Spencer, who is connected with the North Carolina State Department of Public Instruction, was elected President of the Convention.

There were nine hundred delegates attending the Convention. These students and faculty represented thirteen southern states.

One of the most heated discussions at the convention concerned Physical Education versus Universal Military Training in High Schools and Colleges. Also there was much talk of separating Health and Physical Education classes. Some delegates seemed to think that Health is being neglected in High Schools today.

Great emphasis was placed on Co-Physical Education in tennis, volley ball, badminton, ping pong, shuffle-board, and dancing.

One evening was designated for a dinner attended by all students from Woman's College and those who have gone there in the past. Forty-five attended this dinner.

Exhibitions were given by local elementary students. Among the most interesting were rhythmic dancing, interpretive dancing, and tumbling.

Walker, Kenan Neese, Peggy Lamb, and Becky Phipps will cause her to fill several positions with sophomores.

Girl tumblers who will participate in the annual May Day are pictured above. Left to right they are: Nan Ayers, Carolyn Walker, Sue Carswell, Sylvia Winters, Betty Douglas, Bobbie Squier, Barbara Baines and Rhea Moore.

Ellis Stone Super Snooper

By Catherine McLean

Summer is just around the corner. For that summer jewelry you girls will need, Ellis Stone has a vast selection. I have recently noticed a matching ear ring and necklace set of imported straw, trimmed in small gold beads. For precaution the necklace has a safety catch. The colors come in combinations of lavender and white, navy and white, red and white, coco and white, and solid colors in the same shades. The earrings and necklace are each at a low price of \$1.00 plus tax each. Maybe you have noticed Martha Joyner wearing one of these.

Ellis Stone has many other necklaces, bracelets, and earrings for Summer wear. One type in particular is imported from Czechoslovakia and made of opaque and several seed beads. You can choose either a one, two, or three strand necklace. The chokers are fashioned with the adjustable neck size. All are \$1.00 plus tax and come in white only.

Many of you eager beavers may be going to the beach for Easter week-end or sometime soon. Girls, if you need some novelty T-shirts at only \$1.95 to \$2.95 look at the ones on the street floor in Ellis Stone. They are made of the finest quality, combed cotton yarn, terry-cloth, or knitted cotton. These are hand washable too. Color combinations are yellow and grey, green and white, pink and navy, and also multi-colors and solids in pastels. All sizes are available.

Want a new collar girls? Well, the perfect one for Spring is a dotted-swiss with lace or novelty trim. Flowers and ribbon are added to them for a new note. There are also quite a few white piques. Choose yours soon for only \$1.00.

David Brown wanted me to tell everyone that he just loves his new linen-weave rayon slacks that he got at Ellis Stone recently. They are fashioned with offset pockets with saddle stitching. The colors are navy, grey, green, and tan in all sizes for only \$6.95. By the way David's are tan. When I said all sizes I hope that will go for Eli's size too.

Speaking of Eli, David informed me that he has it bad for Cam. I'm a little late but "April Fool."

I failed to mention that those linen weave slacks have matching golf caps too for a mere \$1.95. These come in navy, white, yellow, tan, and rust.

So people, come on in and shop Ellis Stone.
