

WHIRLIE WIMMIN

By Cordelia Goodnight

Greensboro girls' softball team got off to a flying start with a win of 5-4 over High Point on the seventh of April. But who's the force behind the team? None other than a five feet two inch blue-eyed blonde named Margie Gabriel.

Miss Gabriel is a native of North Wilkesboro, North Carolina, where she attended both grammar and high school. She was an active cheerleader and played basketball all three years. She still makes her home there when she isn't teaching here. Miss Gabriel graduated from Woman's College, University of North Carolina, in 1943 where she was very active in sports. She made the honorary varsity team in hockey in her senior year and honorary gym team in her junior and senior years. She was senior class cheerleader, also.

Miss Gabriel, affectionately called "Gabe" by the team, has coached our basketball teams to three wins against three losses this year.

Miss Gabriel not only coaches softball, basketball, soccer, volleyball, and other sports, but she also has a very active part in the planning and presentation of our May Day program. She is also the advisor of the Les Souers.

For all of Senior we would like to offer three cheers for Miss Margie Gabriel.

Ellis Stone
Super Snooper
By Catherine McLean

Have you noticed the many colorful additions to the familiar halls of our Alma Mater during the past two weeks? Yes, the brilliant cotton dresses are in full bloom again, celebrating the arrival of warm weather. And what completes the cotton frocks so nicely as a gay bunch of imitation flowers at the neckline, beltline, or in the hair? Ellis Stone's neckwear counter is literally blooming with an enormous assortment of new spring flowers. You will find it hard to make a choice between the beautiful roses, camellias, carnations, violets, apple blossoms, lilacs, lilies of the valley, daisies, ragged robin, corn flowers, dogwoods, and field flowers. If you prefer a nosegay or mixed flowers, there is a wide selection from which to choose. Perhaps you would like to brighten up a dark cotton trimmed in white. Ellis Stone suggests that you use one of their white pique flowers to complete your costume. The flowers are priced as low as \$0.59 to \$1.95.

After making your selection from the flowers, you will want to examine the wide variety of T shirts that are on display at the street floor neckwear counter. Pat Pringle has dozens of colorful striped T shirts to offer. The colors include navy and pink, grey and yellow, green and white, and red, white, and blue. In the sleeveless T shirt with the tight waistband are some lovely pastel shades of blue, pink, and white. These popular T shirts sell for only \$1.95.

A new addition in the T shirt department is the popular cotton sweater. You can purchase these with long sleeves; or if you prefer a sleeveless shirt, you will be delighted with the new cotton-waffle material that is so original. These cotton sweaters are easy to launder, and are the perfect addition to your beach wardrobe, plus being invaluable for those cooler spring days. These also are a bargain at \$1.95.

If you are partial to those crisp tailored blouses, you will enjoy looking over the many bright cotton broadcloth and pique selections that are available in all colors. The Laura Mae blouses are in trim plaids, stripes, checks, and solids. These are just right for your shorts and bluejeans; and nicest of all, they "wash like a hanky!" These come in all sizes and are only \$1.95.

Now, boys, don't feel neglected, for Ellis Stone realizes that "in the spring a young man's fancies lightly turn to thoughts of love." They have some good-looking clothes that will turn that certain young lady's eye in your direction mighty quick. Just ask Edwin Pearce if he does not think that his smart wardrobe is an asset to his charms! There is nothing like a well-fitting sport shirt to display that new tan or nice set of biceps. The short sleeve sport shirts by McGregor in washable cottons of all colors and sizes are a fine beginning to your new spring clothes. These sell at \$2.95, \$3.50, and \$3.95. The attractive McGregor sport shirt of tissue weight cotton which comes in grey, blue, and brown sells for \$5.95. To complete your casual McGregor outfit select a pair of the cool acetate or rayon slax which are equipped with the convenient hugger waistband. These navy, grey, or tan slax sell for only \$11.95.

Jantzen is out with a new stock of smart new swim shorts that will really make a hit at the beach parties that are coming in rapid succession. As usual the variety of design and color is limitless. All sizes are available at \$2.95 to \$6.50. For the cool ocean breezes that are sure to come, be prepared with a smooth Bantam breezebreaker in cotton pulplinat at \$7.95 and Drizzler cloth at \$10.95. These white windbreakers are the perfect thing to compliment that mahogany tan, boys!

Don't miss this opportunity to make some attractive additions to your spring outfit from Ellis Stone folks!
