

Choir Presents Concert To Assembled Students

Under the direction of Miss Eula M. Tuttle, the members of the choir presented their annual program on May 20. These varied musical selections were combined with the ceremony of presentation of student awards Tuesday morning.

With Anne Wrenn as soloist the choir opened the program with a sacred number, "He Maketh Wars to Cease," by John Prindle Scott.

"While We're Young," by Wilder and arranged by Ringwald, was offered by the group; "Paul Revere's Ride" was set to music as Miss Tuttle led the choir in their third selection.

Featured as soloist at the piano, Bob Stigall offered several selections for the assembly.

Ringwald's arrangement of "The Conquered Hymn" was also included on the musical program. The tune of "Old Joe Clark," an American folk song, was recognized by the student body.

By special request the choir repeated their interpretation of Fred Waring's arrangement of "Country Style," which they presented at an earlier assembly. Stanley Wilson appeared as caller of the square dance. The concluding number was Wilhousky's arrangement of "The Battle Hymn of the Republic," another requested repeat performance.

Because of the recent illness of Miss Tuttle, choir director, the musical program has been repeatedly postponed and condensed in order to be presented for the student body.

Yearbook Given To Students

The third edition of Senior's annual "Whirligig" was distributed to the students this morning, May 22nd. One thousand and twenty-five copies were purchased by students and faculty. The thirty staff members were earlier presented with copies bearing their names embossed in gold lettering.

The first period was set aside for the purpose of looking at and signing annuals.

"Signing annuals really ended the school year in spite of the protests of the administration. Everybody just wrote and wrote all over everyone's book until Miss Powell confided to Betty Jane that she often wondered why she bothered about what went into the annual when all anybody wanted was a place to write."

Janet Brooks, Bobby Clark, and John Butt from Home Room 27.

Yearbook Staffers Travel To Printers in Charlotte

On May 13 members of this year's and next year's Whirligig staff made a trip to Charlotte to visit Lassiter Printing Company, accompanied by Miss Powell, the faculty advisor, and Mr. Routh. The staff members included Betty Jane Davis, Nancy Beeson, Mose Kiser, Dottie Dillard, Martha Jordan, Pat Gregg, Betty Jane Upchurch, and Sylvia Phillips. Mr. Fleming, sales representative for the Lassiter Printing Company, gave a luncheon for the visitors at the Ming Tree Restaurant. Proof copies of the Whirligig served as place mats. At each person's place was a small notebook with his name engraved upon it, and a metal slug to stamp his name on papers.

After lunch the group visited the Lassiter Printing Company and was shown through the different departments by their gracious host, Mr. Fleming. Here they saw the last sheets of the Whirligig being printed. Mr. Fleming gave them permission to take as many of the discarded sheets of pictures as they wished. The pages must be sent to another company to be bound and covered. Mr. Fleming

has promised to have the yearbooks here, ready for delivery Thursday, May 22.

Besides the printing of the yearbooks the group also saw lithographing, cellophane logs, being printed and made, and the cutting of bands and seals.

No matter where the tour led the staff members always came back to the big bins where the discarded proof copies were placed.

A tired but happy group, with their arms full, left Charlotte at 3:30 P.M. and arrived home about 6:30 P.M.
