Choir Presents Program Under Direction of Tuttle

Many different types of music and talent were displayed by the mixed choir, under the direction of Miss Eula Tuttle, GHS music director, when they presented their annual program of songs in the school assembly held on May 10.

Don Wall, president of the choir, presided over the program. Lisa Anderson, a member of the choir, accompanied the students on the piano.

Don expressed to the student body that we sometimes forget the freedoms of our country. The first selection sung by the choir was the very patriotic "God Bless America." The melodious "David's Lamentations" was the second number on the choral program.

David Tucker, a member of the choir, sang a solo to "Into The Night," and Pat Pegram sang "Why Do I Love You?" Both of the singers were accompanied by Lisa.

Other numbers included in the program were "When The Foeman Bares His Steel," "Whirlwind," "Charles Maness' Barefoot," and "Glory In Excelsius." Amy Hutchinson sang the solo part of "Glory In Excelsius."

Three members of the choir came out with a rendition of "Chop Sticks." The trio was composed of Terry Garrison, Barbara Flynn, and Dava Cashwell. All three were dressed as Chinese and carried chop sticks.

The "Battle Hymn of the Republic" was sung by the choir as the closing which has been traditional in the past years. The de-

vision was given by Terry Garrison.
