Matmen Remain Victorious After Defeating High Point

by farber

A sudden splash of enthusiasm has entered the air around GHS. And the cause of it all: Lady Glenn's wrestlers. Ed Meade, Bob Canada, and Tommy Smith have earned themselves the by line of "Little Mites," and have kept the 103 lb. weight class "all Whirlie." Handshakes are to be handed Benny McKee, for his manly art of self-defense; Lou Cavan and Butch Bailey are good material for the wrestling arenas, not only because of their grappling skills, but because of their fine ability to 'scare the heck' out of their opponents with a variety of faces. Jackie Jones, well, I used to think that if Jackie stepped on an ant, he couldn't kill it—probably just give it a bad headache—but no longer . . . fiery Jones is one of, if not the, most consistent hold-swappers on the squad.

Harvey Doktor is the next "hoss," and believe me, "Harv" didn't get that physique of his by lifting wallets. No, sir. . . that guy's got bulging biceps from his head to his neck, and is definitely one of the strongpoints on the Whirlie wrestling crew. This is his first year as a "varsity" man, and with a record of five wins against only one loss, there's but one thing to do—name him Doktor, "the Hoss." Kent Carter is the proverbial powerhouse, and once a foe is caught in his grasp, there's nothing left to do but turn on television. Charlie Whedbee has lost only one match this year which just goes to show that you can't pin a good man down . . . Whedbee came directly off the gridiron onto the mats and the change wasn't as easy as one might think . . . yet, Charlie is holding down every 165 pounder that comes his way, and should be regarded as first rate material for the up-and-coming state championships! Last, but by no means the least, we find Bert Wilder, that fella's really come along in a great fashion! Soon as Bert shakes hands with his op-

ponents, the spectators start to bring out the handkerchiefs . . . friendly, funny, and fast; Bert gives the team a good deal of security.

Coach Glenn's grapplers won their ninth match against one draw, defeating High Point 38-0 here on the afternoon of February 16.

Whirlie Swimmers Take Southern; Hubner, Nance Get 2 Firsts Each

Greensboro's unchallenged swimming team which gleaned an impressive record last year made a convincing step toward duplicating or even bettering its own reputation last Saturday at the Southern Interscholastic Swimming Championships held at Chapel Hill. The Greensboro boys walked away for the second straight year with the team trophy awarded at this meet, one of the largest of its type in the country.

Led by Bob Hubner and David Nance, the locals captured five out of nine first places in compiling an impressive 70 points as compared to their nearest rival's 51. A total of ten outstanding teams competed in the all-day event.

David Nance, ruler of the waters wherever he swims in high school competition, took two first places, establishing new records in both. In the 200-yard freestyle event he bettered the long-standing record held by Tony Schiffman by five seconds. The official time was 2:05. In his second victory Nance swam the 150-yard individual medley in the record time of 1:39.0.

Another Whirlie who had the distinction of two individual victories was sprinting star Bob Hubner. Hubner started the meet off with a convincing win in the 50-yard freestyle. His time of 24 seconds was a new record for the two laps. Later he returned for the second win in the 100-yard freestyle event.

The other Greensboro first place was attributed to Randy Dodson in the 100-yard butterfly event. His time of 1:06 was just six-tenths of a second off the meet record for this event.
