

Reynolds Bows As Larry Gill Leads GHS Defense

Rebounding from a 14-14 tie with Asheville, the Whirlies came up with a 19-7 victory over Reynolds last Friday, October 12.

Surprisingly enough it was the Whirlies' multiple defense which made the big difference in this important game. Through this defense the first Greensboro touchdown was set up.

In Coach Jamieson's new defense, which varied with the single wing formation Reynolds used, Larry Gill was sent to the weak side of the line. On a pass play by Reynolds, Gill crashed through the blockers, tackled tailback Toby Jones, recovered his fumble, and ran the ball to the Reynolds 22 yard-line, setting up the Whirlies' first touchdown.

Employing the double wing to good use, quarterback Currie Singletary directed the attack through huge holes in the Reynolds forward wall. With Singletary romping these gaping holes opened by the vaunted Whirlie line, Greens-

boro's offense moved forward to the first Whirlie touchdown. The point after the touchdown attempt by McNairy was blocked.

Parks and Murphy Break Line
Reynolds was hindered all during the first half by fumbles and penalties. The deception of the Demon backfield was exceptionally well executed but was of little use when the Whirlies' defensive players led by Gill, Parks and Murphy continually broke through to ruin offensive plays.

The second touchdown for the Whirlies was precipitated by a great 43 yard punt return by Lofus Neese. Neese took the ball on the 45 yard line and ran it all the way back to the 2-yard line. 3 plays later, with only seconds left in the first half, Wrenn scored on a quarterback sneak; The PAT by McNairy was good, and the score was 13-0 at the half.

A quick kick by Singletary caught the Black Demons napping in the third quarter and left them on their own 18 yard line. Several plays later the Whirlies took over the ball on a punt and launched a 51 yard scoring drive. The climax of the drive was a 19 yard dash by halfback Larry Rogers to score the touchdown. The PAT was blocked.

Reynolds Gains 7
On the kickoff Reynolds began to move the ball toward the goal line. By means of a sharp passing attack, the Demons managed to advance the ball downfield and on to a touchdown. The PAT was good.

The remainder of the game was dominated by Whirlie subs who got a chance to cool off the field instead of warming the bench.

Whirlies Tie Asheville Maroons Rally Late

Asheville's Maroon Devils, lying in wait in their mountain lair, came from behind in the second half to tie the Whirlies 14-14 in a game played at Asheville, October 5.

Claude Gibson, Asheville's ace halfback, ran 60 yards for one touchdown and intercepted a Greensboro pass and went for the tying touchdown in the last minutes of play.

The Whirlies kept things pretty well under control in the first half. Although they did not have the ball a great deal, the Whirlies were able to get two touchdowns. The first one was scored in a 94-yard romp by Roger Hobbs. Hobbs, playing a defensive halfback position, caught an Asheville punt late in the first quarter on his own six-yard line and went all the way for the score behind perfect blocking.

Larry Gill Stars

With little time remaining in the first half, the Whirlies launched their only successful offensive attack of the night Larry Gill made the big play in the drive, as he caught a pass thrown by Currie Singletary to put them in scoring position. Singletary punched out the last yard or so for the touchdown. Bob McNairy kicked his second extra point of the night to make it 14-0.

The second half was a defensive one for the Whirlies. Asheville kept possession of the ball most of the time. In the third quarter Gibson got loose for his first touchdown on a play over the Whirlie right defensive tackle position. Whirlie tacklers missed several good shots at him.

It appeared late in the fourth quarter that the Whirlies had won the game. After stopping Asheville on a great goal line stand, all the Whirlies had to do was hold the ball, but with 1:03 to go the Whirlies threw a pass which Gibson intercepted and ran it back for the TD. Gibson kicked the extra point which tied it 14-14.

Whirlies Oppose Danville In Non-Conference Game

Coach Bob Jamieson tonight sends his undefeated but twice tied Senior High Whirlies against George Washington High of Danville, Virginia in Senior High Stadium at 8 p. m.

Last week the Whirlies defeated Winston-Salem's Reynold High for the third straight year, 19-7. The defense was the strong point for the Blue and White in that one one, although Lofue Neese and Larry Rogers made thrilling long runs.

Physically the Whirlies should be in top shape at kickoff time. Last week it was no secret that the Whirlies were not in terrific shape. Jim Geiger and Larry Roger, backfield mainstays, figure to be ready for tonight's contest. Both played in the Reynolds contest but were not at top speed. Geiger played only sparingly and that on defense.

The Charlotte Central Wildcats, a 19-0 victim of the Whirlies did Greensboro a tremendous favor last week when they defeated Asheville, 12-6. This placed the Whirlies on top of the Western AAA standings with the only undefeated mark in the conference. Now the only stumbling block to a chance at the state championship appears to be Salisbury. The Yellow Jackets come to Senior High Stadium next Friday night.

With Pat Lee, left, and Tommy Hodgin, rear, keeping them company, Chuck Wrye, second from left, and erry Rogers go about the business of being football managers. Chuck and erry are shown doing a portion of their work as one of the parts that makes a football team.

Wrye, Rogers--Football Managers Perform Various Duties For Team

By Max Snodderly

Completing the football squad come the always last, but never least, football managers. These are the boys who are janitor, nurse, doctor, washerwoman, and stretcher-carrier for the team.

Chuck Wrye, senior, and Jerry Rogers, sophomore, are the managers this year. Chuck is looking forward to a career as a coach and thinks that being a manager will help him learn how to perform the many tasks necessary for the smooth operation of a football team. Jerry broke his collarbone in early season practice and stayed on as manager to be with the team.

Before the game the boys come at about 5 or 5:30 to issue equipment. They also tape weak ankles, bruises, sprained wrists, and other sore places. Footballs are also taken care of by the managers. Equipment carried out on the field before the game includes medicine kit, water bucket, stretcher, and the kicking tee. The medicine kit contains ammonia, for awakening sleeping ex-ball carriers, antiseptic for cuts, tape, and small implements.

Friday Night--Work Begins
"The real work comes after a home game on Friday night," proclaims Chuck. "Then we stay here until about 11 or 11:30 getting the stuff ready to wash."

Cleaning up after the visiting team, removing tape from bandage-swathed players, and scrubbing, scrubbing, scrubbing end a football game for the managers.

Sometimes the managers help in an outside game, such as the Wake Forest-North Carolina freshman game. Jerry worked on this game through a request made to him and Chuck.

On Saturday the boys usually come to the fieldhouse and work on cleaning up the rest of the mess left on Friday. Sundays also are

workdays for these ever-faithful valets. Most of the time the two washers in the fieldhouse are kept going full blast from Saturday until Thursday.

Among the tasks performed on these tedious Saturdays and Sundays are scrubbing the floor, washing equipment, arranging things in order, and cleaning up the conglomeration left by the visiting team.

Contrary to the claims of the managers, comments by the football players at the interview included such choice remarks (printable one, that is) as these: "Don't let them tell you that; all they do is sit in here and listen to the

radio." Every once in a while they hold a candle under the pipes, and we have hot water for a shower." "We never saw anything that looks like soap in the shower room" and "The only time they ever scrub this place is when somebody else is going to use it."

Job Has Rewards

Although it is hard work and sometimes disgusting, being a football manager has its rewards. Chuck and Jerry get to go to all the games with the team and do whatever the team does.

So there you have it. The inside story, what makes a football team roll. These are the boys who run out on the field in the white overalls when a man is hurt.
