

# Prissy Wyrick Outstanding In Senior High's Athletics

One of Senior High's most outstanding girls in the athletic field is Prissy Wyrick, a junior.

Prissy participates in all of the varsity sports here at Senior, her favorites being tennis, golf, and basketball.

As a sophomore she racked up a very impressive record in her favorite sports. She was second high scorer during the basketball season with 83 points made.

Prissy remembers vividly the State AAA playday which was in High Point in 1955. In the softball distance throw she broke the North Carolina State record of 168 feet by throwing the ball 174.4 feet. Although Prissy came in second in the tennis singles, she and Lynn Rankin marched on to win the tennis doubles.

The positions she plays in the different sports are varied indeed; forward in speedball and basketball, shortstop in softball and number one position on the girls' tennis team.

Last year Prissy was asked to

become a member of the Girls' Athletic Council, and she is points chairman at the present.

This past summer, after playing golf for only six weeks, she entered the Carolinas Junior State Girls' Golf Tournament, which took place in Burlington and got as far as the semi-finals in the championship flight.

Prissy's athletic inclinations preceded her entrance into Senior High. She was very active at Lindley Junior High School where she was on all the first string athletic teams. Prissy was awarded her letter for athletics at the end of the eighth grade which was the first time in the history of the school that this had happened.

She was voted the "Best Athlete" by her graduating classmates at Lindley, and she also received the trophy for being the best athlete and a pin which made her an honorary member of the NEA.

Many other interests make Prissy an all-round girl. She plays the clarinet in the Senior High concert and marching bands and is a member of the high school orchestra.

In addition, she is vice-president of the Junior Class, vice-president of JCL, a silver star wearer, and a member of the GWI social club. Last year she was vice-president of the Sophomore Class.

Sports, though, have laid the groundwork for Prissy's future, for she plans to attend Woman's College where she will major in physical education.

Prissy Wyrick is featured playing three of the sports which she most enjoys. Last year she proved her skill in basketball by ending the season as second high scorer on the team.

In the second picture Prissy is shown as a member of the golf team. A valuable asset to the tennis team, Prissy is preparing to serve the ball in the third picture.

## Greensboro Girls Defeat High Point In Speedball

Greensboro's girls' speedball team beat the High Point team 3-2 to win the State Speedball Play Day held in High Point Friday, October 26.

Although Greensboro was behind 2-0 in the third quarter, Lynn Rankin, center forward, made a drop kick which scored three points for Greensboro, the only Greensboro score in the game.

In the final minutes of the game when High Point was in position to score, Prissy Wyrick, Greensboro left inner, knocked a pass from the hands of a High Point player who was unable to catch it to score. The game therefore ended with the score reading Greensboro 3, and High Point 2. Mrs. Eleanor Lambert, physical education teacher, observed, "It took excellent playing on everyone's part to win the game."
