

POTEAU WARNS STUDENTS ---

Printed below is a letter, dated September 27, from Municipal Court Judge William M. Poteat to Principal A. P. Routh concerning traffic problems around the school. Recently there have been several incidents around the school during the lunch periods. Judge Poteat is warning students that traffic violations during the rush periods will receive stiff penalties.

Mr. A. P. Routh
Principal
Greensboro Senior High School
Greensboro, North Carolina

Dear Mr. Routh:

In the last few days I have been by the Brooks School, Senior High School and Kaiser School several times during the day, and I am extremely concerned over the pedestrian and automobile traffic during the rush hours. I feel that this is one of the most hazardous localities in Greensboro as far as pedestrians are concerned. I have no desire to be unduly severe on any one, however, the situation is one which can only be dealt with severely.

I would appreciate it very much if you would advise the students in Senior High School that traffic violations occurring in or near the school area during the rush periods will receive stern treatment in court, including license revocation for any traffic offence which endangers other people. I am very much afraid that strict enforcement and severe penalties will be the only way we can avert tragedy during this school year. Please impress on the student body that they are not being singled out for special treatment which is not afforded other citizens in Greensboro, for everyone will be treated the same way, but they are more closely associated with the problems they will feel the brunt of this action. This is not a crusade against anyone—but an effort to save lives.

Very truly yours,
William M. Poteat
Senior Judge

COUNCIL CORNER

BY SANDRA HOLDERNESS

Your Council is sponsoring lunch time recreation for you to participate in and enjoy during fourth and fifth lunch periods. A juke box has been made available and four ping pong tables, too. Your Council urges each of you to take part in this activity.

A problem concerning the cafeteria has arisen. Paper bags, milk bottles, and trays have been carelessly left on the tables during both lunch periods. If each of you would be responsible for taking your own tray back to the window and putting your trash in the waste basket, it certainly would be a great help to the workers in the cafeteria, and it also would make us, as a student body, proud of our own group for doing the right thing.

Tonight we are celebrating our Homecoming exercises during the game with Asheville. At halftime the band and choir will perform, with their theme as "My Fair Lady." The Homecoming Queen, Peggy Sink; Council Sponsor, Lynn McGregor, and the alumni from the past two years will be present with their escorts. Let us all go to the game tonight and give the WHIRLIES our support.

Remember last year when Sigmund Blomberg, the memory expert, took GHS and Greensboro by storm? Look up "perpetual calendar" in a good dictionary and you'll see how he could tell what day of the week it was or will be on any date named.

First cat—I'm sorry; I quite forgot your

Second cat—Oh, weren't you there?

An optimistic Bob McNairy—Let's get married!
A pessimistic Sari Lynn Winfree—Good gosh! Who'd have us?

"Now, Johnny," coaxed his mother, "be a good boy and say 'Ah-h-,' so the nasty doctor can get his finger out of your mouth."

Mrs. Pleasants—Now watch the blackboard while I run through it once.
