Martinsville Whips GHS; Wilson Stars In Defeat

Charlie "Stick" Wilson starred as Martinsville, Virginia's Bulldogs defeated the Whirlies by a 42-32 score on the home court Thursday night, February 5.

In the first quarter neither team was able to generate much of an offense against the tight zone defense that both teams used. In hopes of pulling their opponent out of the zone each of the coaches had his boys play possession basketball. As a result of the slowed-down play the score at the quarter end was a stand-off at 7-7.

The second quarter was almost a repetition of the first as both teams kept doggedly to their con-

servative offense and zone defense. Only the rebounding of Stick held the victorious Bulldogs within close range of the Whirlies. Wilson's outstanding work under the boards and an inability to score that matched that of GHS held the score to 15-13 in favor of Martinsville at halftime.

The third quarter was just like the first two—slow and deliberate. The Whirlies were still guilty of poor shooting and still had to rely on the fact that Martinsville could not hit either. With neither team able to score proficiently the score remained at a very low mark at the quarter's end when the Bulldogs led 22-19. Play in this last quarter was considerably rougher than the entire first half. Eight fouls were called during the quarter as compared to seven in the whole initial half.

The tempo of play speeded up considerably in the last eight minutes of play as the Whirlies came out of their zone in hopes of regaining the lead. This strategy might have worked if it had not been for Regie Campbell, scoring star of the Bulldogs. He scored 14 points for the night, six of which came in this last period when GHS threatened to close the gap. As the play got fast and furious the Bulldogs showed why they have a 13-1 record. They capitalized on the Whirlie mistakes and fouls.

Whirlies Look To Future; Encounter Winston Tonight

Greensboro Senior High's Whirlies, recently upset by the surprising Martinsville, Virginia, cagers will take on Winston-Salem here tonight in an important conference contest and then will travel to Lynchburg, Virginia to encounter their team for the second time.

The Whirlies were surprised by Martinsville and should be ready for Winston, having defeated them earlier in the year. Winston has not been much of a threat in the Central AAA Conference this year; however, they are capable of upsetting any team.

Lynchburg will be ready for the Whirlies tomorrow night, having been defeated here in our own gym in our first game of the year. Lynchburg is hard to beat on their home court and showed their skill by beating Raleigh in our gym in a comeback effort earlier this year.

The record of the Whirlies is now 10-3, and the conference record is 3-1, good enough for a first place tie. The Whirlies have seven more games to play before the State Tournament, March 11-14. They have four more conference games. Three of these will be played here, including the game tonight.

The Lynchburg team won AAA championship of Virginia last year and their experienced players are back this year. They were just starting the season when we played them before and with the

season one half over, they will be considerably harder to handle.

Randy Blackwell, the fine Whirlie guard who sprained his ankle and missed the last few games, is expected to be ready for action tonight. Thus, the probable Whirlie starters will be Bob Jamieson, Jr., at center, Stick Wilson and Larry Hudson at forward, and Tommy Edwards and Blackwell at guard.
