

### Eastern Invitational Near; Whirllette Swimmers Set

Another group around GHS that gets very little credit for its hard work is the girls' swimming team. Under the excellent direction of Coach Jamieson, they practice in the WC pool every night from 6 till 7. The girls came back from the Atlanta meet February 7 with top honors, having proved to the Georgia girls that lightning (or rather Greensboro) can strike three times. In that overwhelming victory the GHS mermaids carried off seven of the ten first places and set three meet records.

**Eastern Invitational**  
The girls' next meet is the fourth annual Eastern Indoor Invitational to be held at Woman's College, March 21, just a week from tomorrow. Although the Whirllette mermaids lost this meet to Congressional Country Club of Washington, D. C., last year, they are ready and waiting to get revenge. Several other top teams are expected, and even if the way is rough, the Greensboro girls are not easily beaten.

Judy Weaver, Betsy Glynn, and Frances McNairy are three of the fastest breaststroke swimmers on the Eastern Seaboard. Judy and Betsy, along with Penny Taliaferro are good on the individual medley. Penny is also a champion backstroke and holds quite a few records. Karen Gill is the team's outstanding distance swimmer and Carolyn Brown runs her a close second when she is not in the breaststroke or butterfly events. Christina Stewart swims the 50 and 100 yard freestyle races and is a valuable addition to the relay teams. The team's newest member, Christina Bird, is an up-and-coming freestyle swimmer. Annette Glanckopf swims the freestyle and backstroke events.

Left to right Lem Walters, Harry Schiffman, Paul Sikes, and Dan Derby.

## Swimming Team Places In State Meet To Complete Season Here On March 21

Stop, look, and answer me this one: What are considered the major sports at Greensboro Senior High and what are the minor ones? Finished? Well the answer is that there are no major or minor sports at GHS. The Whirlies are putting top teams into the fields of basketball, baseball, wrestling, golf, football, and swimming.

Take swimming for instance, Senior High HAS always boasted a strong swimming team, with Ranny Dodson, currently a star at Carolina, and Pat Earey, head Coach for the Tar Heels, both products of GHS swimming.

This year's team is no exception. It is a good team, but an up and down team; a team which has produced many bright individual stars and shared a few record-shattering moments, but one which as this story is being written, has more defeats on its record than victories. At this point in the season, Coach Bondanella's tankmen own a 3-5 record, losing twice to Meyers Park and once

to Raleigh, Carolina freshmen, and Chapel Hill. The wins were over Chapel Hill, Page, and Raleigh. The Whirlies have been in four larger meets; placing third in the East Carolina Invitational and Atlanta meets and second in the Southern High School Championships and in the State Meet.

The high point of the season has been the State Meet, held March 7 at Chapel Hill. In this very important meet the Whirlie tankmen finished second behind Myers Park of Charlotte. Although they didn't win the team championship GHS's boys carried off more first places than any other team. The outstanding medley relay team of Harry Schiffman, Dan Derby, Paul Sikes, and Butch Edwards easily won their event in record time. Mackie Stout, Lem Walters, Fred Wedler, and Edwards combined to give the Whirlies a sweep of the relay events by winning the 200-yard freestyle relay.

Also placing first in individual events were Derby, in the 100-meter flystroke, Sikes in the backstroke, and Walters in the 150-meter individual medley. Gaining points for GHS through second and third place finishes were Skipper Burwell in the 200 and 400 meter freestyle, and Goddy Pier in the individual medley and

the breaststroke. Tommy Steed rounded out the Whirlie scoring by placing second in the diving events.

Playing an important part in any swimming meet is the diving event. Coach Bondanella has nothing but praise for his diving ace,

Tommy Steed. Bondanella says that Steed has helped the team very much this year. His is a top-noted diver and was a strong contender for the state diving championship this year, although finishing second.

But, above all it is the team itself that Coach Bondanella is quick to praise. The team swims in its last meet here in Greensboro, March 21.

## Schiffman Stars As GHS Cops Second In Meet

Greensboro High placed second in the state swimming meet, trailing by fifty points. Myers Park had one hundred and eighteen points to sixty-eight for the Whirlies.

Harry Schiffman set a new championship record of 1:00.3 in the 100-yard butterfly.

The 200-yard medley relay team of Paul Sikes, Dan Derby, Harry Schiffman, and Butch Edwards set another state record of 1:51.8 as compared to the old record of 1:52.2.

Derby won the 100-yard breaststroke and Sikes placed first in the 100-yard backstroke.

Lem Walters copped first in the 150-yard medley.

team of Edwards, Mackie Stout, Fred Wedler, and Walters also won.

Below are how the Greensboro boys placed in their respective events.

200-yard medley relay—1. Greensboro (Sikes, Derby, Schiffman, Edwards)

200-yard freestyle—5. Burwell

150-yard medley—1. Walters, 6. Peer

Diving—2. Steed

100-yard breaststroke—1. Derby, 6. Peer

100-yard backstroke—1. Sikes

400-yard freestyle—5. Burwell

200-yard medley—1. Greensboro (Edwards, Stout, Wedler, Walters)

100-yard butterfly—1. Schiffman
