

The History Honor Society has elected its officers for the remaining school year as shown in the above picture. They are, left to right, Bob Stonley, vice president; Mr. Robert Fredrickson, advisor; Martha Jordan, secretary-treasurer; and Bill Hinshaw, president.

Two Seniors, Sophomore Receive Science Awards

Michael George, and Frank Starmer, seniors, and Bill McNairy, sophomore, have won awards in the State Science Fair in Chapel Hill April 1 and 18.

Bill McNairy's project on Histology and Photomicrography won the North Carolina Medical Society Award. Michael George won a second place with his Spectrometer and Frank Starmer, third with his project on cosmic rays.

The five district winners from Senior left at 8:30 Friday morning. That evening the projects were judged, and all the science fair participants were entertained by special programs at the planetarium and at the University of North Carolina.

Susan Williams, junior, and Paul Kivett, sophomore, also attended the fair.

Roger Hobbs' Drive Ends; Leaders Express Thanks

To the Editor of HIGH LIFE,

Please publish this note in the next edition of HIGH LIFE. We feel that through the high school newspaper we will be able to reach a greater number of people than any other way.

We would like to say a big "thanks" and express our deep appreciation for all of the cooperation from you students in the Roger Hobbs' drive. Roger has asked us to convey to you his sincere gratitude for all you have done for him. He told us that this had shown him that you were thinking about him and had shown others what Senior High students

could do on their own.

The campaign was a big success. We were able to present to Roger a check for \$1565.00 which you, the students of Senior, raised through the napkin sales and benefit.

Thanks again from Roger and his family and us.

Sincerely,
Penny Taliaferro
Robin Farr
Kay Smith
Sondra Childress.

FTA Club Elects Officers; Jane Hinton Heads Group

FTA-ers elected Jane Hinton as the new President at a dinner meeting April 16 at 6 o'clock in the Home Economics Building.

The other officers were vice-president, Mary Ann Crocker; secretary, Pam Pfaff; treasurer, Sondra Childress; historian, Janie Leigh Wall, and Parliamentarian, Connie Waynick.

President Judy Harrill, who presided over the meeting, introduced principal A. P. Routh, who gave an invocation; and after the dinner, the meeting was opened with a devotional by Carol Overstreet. Helen Stanfield, junior, gave the toast to the seniors and Becky Chambers responded for the seniors.

The next thing on the agenda was the FTA pledge, followed by Pearl Buck's "It Takes Courage," a dramatic reading read by Carolyn Marks. The speaker for the evening was Mr. P. J. Weaver who spoke on the qualities he looks for in a person applying for a teaching job.

In charge of preparing and serving the food was Mrs. Isabelle Powell and her classes, and decorations were furnished by the classes of Miss York.

The co-sponsors for FTA are Miss Estelle Mitchell and Miss Mozelle Causey.

May 8 HIGH LIFE Experiment By Staff

Clyde Wilson, editor of HIGH LIFE, announces that the next copy of the paper will be the traditional annual experimental issue.

Next year's staff assumes full responsibility of all phases of the publication, which includes advertising, gathering information, writing, editing, proofreading, typing, photography, make-up, circulation, and wording.

The issue following that one will be the last HIGH LIFE for the 1958-59 school year.

Relle Moore To Receive Alternate ROTC Position

Relle Moore, senior member of the HIGH LIFE staff, has won an alternate position for the Naval ROTC Scholarship valued at approximately \$4,000, good for any of over 100 ROTC colleges in the United States.

In addition to Relle three other GHS students, Bob Boyd, Keith Douglas, and Wiley Ballard, were finalists in the ROTC competition and have been accepted as contract students.

These four boys started competition for the scholarship with a written exam December 20, 1953. Then they, along with the other semi-finalists from North Carolina, reported to Raleigh for further tests and a physical examination, and from this group the finalists and winners were selected.

N. C. Vocational Clubs Elect Ferrell, Miller

Joyce Ferrell, rising senior, and David Miller, rising junior, were elected first vice-president and state treasurer respectively of the North Carolina Vocational Club at the Fourth Annual Convention held April 3-4 in Asheville.

Attending the convention were 42 GHS students with co-ordinators Mr. Richard Engard, Page High School; Mr. A. B. Raester

Sharpe, will advance to the state meet and from there will go to the area contest which includes the nine southern states. The winners of the area contest will attend the National Contest. There will be six in this group.

Knights Of Pythias Have History Speech Contest

Knights of Pythias sponsored a speech contest Thursday, April 23.

The subject was "My Favorite Character In History", and each person selected the character on whom he wished to speak. Some of the students who entered this contest were as follows: Linda Spencer, Judy Williams, Sandra Sharpe, Pam Kasey, Charles Thompson, Carolyn McMasters, Doreen Frost, Angie Davis, Mary Radcliffe, Frances Demetriou, and Donna Hinchee.

The local winner, Sandra

Science Students Vie For UNC Scholarship

Senior High students took the State Mathematics, physics, and chemistry Examinations April 10, March 26 respectively, the top papers being sent to the University of North Carolina at Chapel Hill to compete for the state prize in each division, a renewable scholarship for full tuition to Carolina.

In the mathematics department, nine seniors took the test. They were as follows: Michael George, Rodney Hill, David Cribbin, Carolyn Lyday, Frank Starmer, Susan Caviness, Anne Weinstein, Danny Hurst, and Sto Fox. In that group Michael George's paper was chosen for the state competition.

Approximately 75 physics students took the state physics test. From those who took that test there were five papers picked to go to the state competition. They were Michael George, Frank Starmer, Bob Cunningham, Larry Sawers and Rodney Hill.

From the twenty four students who took the state chemistry test, the tests of Chuck McDonald, Danny Hurst, and Preston Earle were entered in the state examination.

and Mrs. Catherine McIntire, both of GHS.

The Friday afternoon program was highlighted by a speech by Mr. E. C. Funderburk, Superintendent of Asheville City Schools, on the topic: "Striving For A Better Tomorrow Through VIC."

Friday night was the date for the Coronation Dance and the crowning of the VIC King and Queen, while Saturday morning was set for the election of state officers.

Michael George Wins Top Honors In Exam

Senior Michael George has taken top honors in the State Physics Examination, shortly after winning a second place in the physics division of the State Science Fair.

Senior Robert Cunningham's paper was third place in the contest, while senior Rodney Hill won honorable mention.

With the first place paper, Michael receives a renewable \$1200-annually scholarship to the University of North Carolina at Chapel Hill.

Each high school is allowed to submit no more than three papers for judging. All three of Senior High's papers received recognition.

Senior High has had a first place winner in the State Physics Examination for six out of the last ten years.

Robert placed first in the State Chemistry contest last year, while Michael was second.

Stanley Johnson is physics instructor.
