Concret Band Premiers 'Meharry Hall Sonata'

Paul W. Wheon's "Meharry Hall Sonata for Band" was performed for the first time at the opening GHS band concert of the season November 19.

Mr. Wheon wrote to the band and asked that they play his piece and send him a tape of the performance. Ronald Sneed, on the clarinet, and Bobby Foster, on the oboe, were the soloists for the selection.

Selections from "West Side Story" by Leonard Bernstein and arranged by W. J. Duthoit were warmly received by the audience. The band members who saw the play "West Side Story" in New York last spring liked it so much that they requested that Mr. Hazelman get the music.

The concert band opened their program with "Merry Wives of Windsor Overture" by Otto Nicolai. Following the "Meharry Hall Sonata for Band," the band played "The Standard of St. George March" by Kenneth J. Alford, and selections from "West Side Story."

For the closing number the group presented selections from the ballet music "Casse Noisette" (The Nutcracker) by Peter Tschai-kowsky and arranged by John M. Rogon.

Hr. Herbert H. Hazelman directed the concert band with Mr. Edwin Rooker, assistant director, and Mr. James R. Decker assistant director announcing the program.

Sophomore Class To Sell Pencils After Christmas

Members of the sophomore class will sell pencils after Christmas as their class project; this will be the second pencil sale of the year.

According to Mrs. Julia Rowe, the pencil sale will officially begin after students have returned from the Christmas holidays. A few pencils may be sold before the holidays.

The pencils will sell for 10 cents apiece. Each pencil will have the basketball schedule printed in white on a blue background.

Each sophomore homeroom will be given a certain number of pencils to sell. The home room presidents will be responsible for seeing that home room members sell

the pencils, and that the money is turned into Mrs. Rowe.

The first of the pencil sale was conducted earlier this year. The pencils sold then were printed with the football schedule on them.

Dick Tontz, president of the sophomore class, and other class officers helped to give the project a boost. Dick along with other sophomores sold pencils at PTA. It was reported that this helped greatly in making the pencil sale a success.

Profits from the pencil sale will pay for the sophomore pages in the school yearbook, WHIRLIGIG.

Mrs. Rowe has reported that profits from the first sale amounted to over \$200.
