## A Word of Explanation

To all of the many faithful readers and friends of the HIGH LIFE staff:

In case you have noticed lately that the senior members of the staff have been floating around on cloud nine, its not because the beach is near at hand, but rather, they are taking a well needed two-week rest.

The production worries of HIGH LIFE have shifted over to the junior and sophomore members of the staff for the traditional experimental issue. That issue is in your hands.

The masthead on page two lists the students who will compose next year's staff.

## Choir Members To Tour Miami, Nassau In June

Planning a trip to Miami and Nassau June 25-July 2, is the Senior High School Choir's latest project, along with graduation exercises.

They will make the trip as a separate group, but plan to join the band in Miami for two concerts, and Nassau for another at the palace of the governor general. In all three of these concerts the choir will sing "Sinai" assisted by the band. The main concert of the tour will be in Miami at the convention of the Kiwanis International.

However, the entire trip will not be strictly work. Sight-seeing tours and shopping sprees have been planned. Mr. Herbert Hazelman has also invited the choir to join the band on a tour around the islands in a catamaran, a two-masted sailing boat with a three piece symphony band.

The Kiwanis club will sponsor the trip; however, the choir will help by having money raising projects of their own. Sightseeing and shopping will be paid for by individual members.

The choir will charter one bus

for the two-day trip to Miami, and several members will take stations wagons for the sixty members. From Miami a DC6B Pan American will be chartered to fly them to Nassau where they will stay for three days.
