Local DAR Group Names Meadows As Best Citizen

Brenda Meadows, senior, was selected "best citizen" for the Guilford Battle Chapter of the DAR.

Brenda was chosen last spring, along with two other girls, in a vote by the girls of the Junior Class. The Senior High faculty then made the final decision.

All DAR citizens are selected according to these qualities: 1. Dependability, which includes truthfulness, loyalty, and punctuality. 2. Service, including co-operation, courtesy, consideration of others. 3. Leadership, which means they must have personality, self-control, ability to assume responsibility. 4. Patriotism, including unselfish interest in family, school, community, and nation.

Brenda will receive a pin and certificate of award, and will be asked to answer a questionnaire given to all DAR representatives in this district. There will be a District Award of \$10 for the

girl who submits the best answers in her district, and a State Award of \$100 for the best state contestant.

Besides being the DAR "best citizen" her senior year, Brenda is editor of the Whirligig, Senior's yearbook. She became a member of the Whirligig staff the second semester of her sophomore year, as a copy writer, and was promoted to index editor her junior year.

Brenda served on the student council her sophomore and junior years, and has been a member of F.T.A. since her sophomore year. She joined the Junior Civinettes last spring, and has the distinction of being a homeroom officer all three years at Senior: vice-president, secretary, and treasurer, respectively.

She was first notified of her honor last spring.

Honor Society Members Select Pam Pfaff Leader

Pam Pfaff, senior, was selected by the members of Torchlight, the scholastic honor society at GHS, to serve as the 1960-1961 president.

Other officers selected were Charles Thompson, vice president; Anne Starr Minton, secretary; and Virginia Harmon, treasurer. All of these officers are seniors.

Pam was inducted into Torchlight last spring as were the other officers. Besides Torchlight, Pam is active in many other school activities. She is first vice president of Civinettes, was a member of student council, was a Girls' State representative, is a member of F.T.A., and is continually on the special honor roll.

Other activities in which Charles Thompson participates are the Key Club, the library staff, and the

Spanish Honor Society of which he is president. Last year Charles served as chief marshal and he also won the French contest in his junior year.

Other Officers

Anne Starr is a member of the Civinettes. Last year she served on the student council and the year before she was a member of the youth council. She serves as president of the orchestra this year, and she is also a member of Euterpe—Symphonia.

Civinettes, F.T.A. president, business manager of WHIRLIGIG—these are some of the extra-curricular activities Virginia Harmon claims. Last year she served as treasurer of the school.

Mrs. Mary Madlin, Latin teacher, serves as the group's adviser.

Two Seniors Of FTA Attend State Meeting

Annette Anderson and Jess MacFarland, seniors, will attend the state F.T.A. meeting, November 19 on a college campus.

The new officers of F.T.A. are president, Virginia Harmon; vice president, Pam Pfaff; secretary, Annette Anderson; treasurer, Connie Waynick; all seniors, and historian, Libby McComb, junior.

This year the meetings will be varied. There will be business meetings, inspirational speakers, panels, college programs, and a tea or dinner. The main project will be the recognition of teachers during American Education Week.

The skit, "What Is a Teacher?", was presented August 29 at a dinner given for the new teachers of the city. This skit was given last May for the Delta Kappa Gamma program when the Future Teachers were honored by the group.

All members taking part in the skit are as follows: Jess MacFarland, Martha McKee, Suzanne Anderson, Pam Pfaff, Diana Wellons, Libby Pratt, Virginia Harmon, Brenda Meadows, Susan Stentz, Libby McComb, Sue Albright, Linda Pearman, Mary Brennan, Judy Brady, and Connie Waynick.

Miss Mozelle Causey and Miss Estelle Mitchell are co-sponsors for the F.T.A. group.

Enrollment Decreases By 67 In New Term

Beginning the school year with 1686 students, Senior's student body has suffered a decrease of 67 from the previous year.

Sophomores outnumber the juniors and seniors with an enrollment of 717. The senior class follows with 508, while the juniors trail with 461. Compared to last year the number of sophomores has increased while the seniors and juniors have decreased.

Boys outnumber the girls in all but the junior class. The total number of boys is 879 with 377 in the sophomore class, 227 in the junior class, and 275 in the senior class. The sophomore class of girls with 340 outnumbers the junior and senior classes with 234 and 233 respectively. In '59 there were 850 girls in Senior (43 more than there are now) and 903 boys.

If Senior's enrollment is compared to forty years ago, a considerable increase is noted in the number of students. In 1920 there were 712 students in Senior, the largest enrollment on record up to that time. Out of the 712 students, 125 were junior high pupils, 272 were freshmen, 167 were sophomores, 103 were juniors, and only 60 were seniors. The faculty at this time consisted of 38 teachers.

Senior's present enrollment shows an increase of 974 over the enrollment of 1920. If the junior high and freshman classes of old Senior are ignored, Senior's increase climbs to 1351.

Pictured above are the new Torchlight Honor Society officers for the school year 1960-61. They are left to right: Virginia Harmon, treasurer; Pam Pfaff, president; Ann Starr Minton, secretary; and Charles Thompson, vice-president. (In the back)
