## Sixteen Senior High Students Named Semifinalists For Scholarships

Sixteen students at Greensboro Senior High hold 21 positions as semi-finalists and finalists for four national or state scholarships.

Out of 12 semi-finalists from GHS, the National Merit Scholarship Corporation chose 11 of these students to continue in the competition as finalists. They are Cynthia Brown, Jane Cannon, Rhea Jacobs, Sherry Kellett, Linda Lael, Pete Bondanella, Henry Deal, Roger Lewis, Tom Martin, Raemond Polk, and Dale Smith. Jane has since transferred to Decatur, Georgia. To qualify as finalists, the students had to fill out a lengthy form and take the SAT on December 2. Their test scores were then compared with previous information sent to the Corporation, and the contestants were rated accordingly. Kaye Riley, the twelfth semi-finalist, was disqualified for further competition because of illness on the day of the College Boards. The winner of these scholarships will be notified on or after March 26. These grants range from an honorary minimum of \$100 to the maximum, \$5100, and may be used at any accredited college in the United States.

### Pete Named Finalist

Pete Bondanella is also a finalist for a John Motley Morehead scholarship. This 4-year scholarship is available only to boys and must be taken at the University of North Carolina. Pete will go to Chapel Hill soon to take further tests.

Seven students at Senior were semi-finalists for the Angier B. Duke scholarship. They are Rhea Jacobs, Sherry Kellett, Dale Stansbury, Cherry Swaringen, Pete Bondanella, Bob Groat, and Raemond Polk. These seven went to High Point February 21 for personal interviews. They were notified last Friday as to the winners and the amounts of these grants, to be used only at Duke University. The finalists from the

group are Dale, Cherry, and Pete.

### Two For Brooks

Nora Wilson and Hobart Kellam are in the competition for the Aubrey Lee Brooks scholarship. Since Mr. Brooks made his money in 11 counties in the state of North Carolina, each of these counties receives one of these grants, and Guilford County is one of the recipients. Hobart is one of the top three nominees in the county, while Nora is an alternate. This scholarship, to be given either a boy or a girl, must be used at Woman's College, the University of North Carolina, or North Carolina State College.

Marvin B. Smith and Herbert Worth Jackson are two other scholarships to be used only at Carolina.

The O. Henry and Greensboro chapters may each nominate one girl for the Junior Woman's Club scholarship, amounting to \$750 or

\$1000, which may be taken anywhere.

### Medical Grant

The Greensboro branch of the Woman's Auxiliary of the Guilford County Medical Society is offering a scholarship in the amount of \$100 a year for three years toward the training of a Greensboro girl in the profession of nursing or an allied medical field. This scholarship is being offered to a graduate of one of the high schools in Greensboro, with the specification that she study at an accredited school of nursing in the state of North Carolina. The sum must be repaid only if the recipient should leave to be married or for any other personnel reason, or if she be expelled from the school.

Blanks will be available later in the guidance office for the scholarships to be given by Sears Roebuck and Company, Torchlight, and the Junior Jaycees.
