NUMBER 13

Cheerleaders Chosen; Pearce To Be Head

Betty Jo Pearce has been chosen as Grimsley Senior High School's head cheerleader for next year.

Ellen Barrier, Ann Bradshaw, Betty Pritchard, and Mary Rountree were selected as the other four rising senior cheerleaders. Rising junior cheerleaders are Bry Richardson, Vickie Gunter, Judy Tingley, and Sybil Owen.

The rising juniors on the junior varsity squad are Sarah Pearce, Cindy LeBrun, and Kathy Courtney. There are no rising seniors on the j.v. squad, and the sophomore members of both the varsity and the junior varsity will be selected in the spring.

Whirlie Track Team Captures Sectionals

Greensboro's Whirlie trackmen, with the aid of their relay combination, swept the Piedmont sectional meet only a week after they took the conference meet. The Whirlies finished with 42 points, 20 more than their nearest competitor, Winston Salem Reynolds.

Track coach Claude Manzi, who is to take over the head-coaching job at the new Smith High School next year, will conclude his long term with Senior Saturday, at the State Meet.

Senior's Bob Powell came out as the top individual by compiling a total of 11 1/4 points, gaining firsts in the high jump and low hurdles and as anchor man in the winning 880 relay team. The relay also included Paul Early, Alan Robinson, and Lennie Maynor.

Irvin Pearce, senior pole-vaulter, captured first at 11'6", tying the meet record, and equalling his top effort for the year.

Harry Boyte, as expected, took first place in the mile run with a time of 4:40.3. He is considered among the best milers in the state. Fred McCall took fourth in the event.

Paul Gibson edged Mike Ray of Burlington in the 880, with the best time of his career at 2:04.3.

Mickey Andrews, running with a sore foot trailed Steve Middleton of Reynolds to gain second in the 440.

The Whirlie thin clads, already having chalked up a good year, bring a strong team into the State Meet.

Members of the School Beautiful Committee admire the silver cup and certificate. From left to right are Carolyn Rich, scrapbook chairman; Bill James, Keith Gullede, chairman; Irvin Pearce, committee treasurer; and Betty Pritchard, publicity chairman.

Plans for the grove are studied by Mr. Lody Glenn; Mr. J. T. Seawell, Head of Maintenance Department for City Schools; Mr. Eugene Gullede; and Mr. Jack Jessup, committee advisor.

Student Council Brings Annual Activities Report

During the induction ceremony in assembly, the Student Council of Grimsley Senior High School submitted a report of the year to the student body.

At the annual Student Council workshop, on August 24th, 1962, the Student Council voted to include a new standing committee, the Pep Board. The chairman of this and the other standing committees was appointed by the president and approved by the council. The council prepared itself for the responsibilities of the coming year.

When school opened, the Student Council provided an informing orientation for the sophomores and helped students register. Elections for sophomore Student Council and Youth Council representatives, and sophomore class officers were held in the fall of the year. On October 9th an informal reception was held in the Home Economics building for the transfer students.

The Student Council has met regularly during the school year on Tuesdays for the actual business meeting, and on Thursdays for the purpose of carrying out problems which need special attention and for committee meetings.

On October 26th, the annual Homecoming was celebrated at the football game that night. The Homecoming Court was presented, and the Homecoming Queen, the symbol of school spirit, was crowned.

The Pep Board has encouraged attendance at the athletic functions by chartering buses to many of the out-of-town games.

The Student Council sponsored a Thanksgiving offering for the janitors and maids which was collected from the student body. Through the Welfare Department a needy family was aided at Christmas.

On January 8th, the Student Council presented a meaningful

Honor Code Day Program, consisting of a speaker and homeroom discussion of the code.

February 6th through February 13th May Court elections were held. At the traditional May Day festivities on the front lawn of GHS, the court was presented and the 1963 May Queen was crowned. The theme of the pageant was "A Merry Day in England."

To try to give the student body a better idea of a typical council meeting, the Student Council staged a mock meeting. At this assembly, new charters were presented to all the school sponsored clubs.

During the month of February, the Student Council sponsored a successful sale of GHS school pins.

On March 30 the Student and Youth Councils planned to have a combo party for the student body; but because of an illegal contract, the dance was called off. On May 3, the council assisted in prepar-

Gullede Accepts Trophy In Beautification Contest

Recently Grimsley Senior High School was presented with a large silver trophy for being the winner of the city-wide School Beautiful Contest.

Keith Gullede, chairman of GHS's School Beautiful Committee, received the trophy at the Third Annual Awards Luncheon of the Neighborhood Improvement Contest, which is sponsored by the City Parks Recreation Council. This trophy was the first among several awards presented.

GHS will keep its cup for one year when it will again be awarded to the school that wins the annual campaign. If a school wins the trophy three years in a row, it may keep the trophy, and another will be presented the next year.

Grimsley was selected as the winner on the basis of improvement and beautification which was shown in a special scrapbook. The judges also visited the campus to see the improvements. Because the grove was not completed by the official end of the contest, plans for the area were submitted with the scrapbook.

The committee that planned GHS improvements included Bill James, Irvin Pearce, treasurer; Janet Turner, secretary; Betty Pritchard, publicity chairman; and Carolyn Rich, scrapbook chairman. Other members were Jane Reed, Carolyn Zimmerman, Johnny Hedrick, Nancy McNairy, Penn Holsenbeck, Bennett Boyles, Gwyn Coble, and Donna Newman. Sophomores included Jimmy Wilkins, Dave Grimes, and Cynthia Wharton. Faculty advisor was Mr. Jack Jessup, and PTSA advisor was Mrs. Joe Hunt. Both of these advisors spent much time planning and helping at workdays.

The north grove was completed this past Saturday by those students who came to the workday. Inside the brick border, pale river gravel is spread. This gravel consists of two textures. Around the outside the gravel is large, while on the inside it is smaller. Inside and around the side of the grove are several planting boxes

of shrubs and trees. Only a few more bushes are to be added. In the center of the grove is a large boulder. A plaque has not yet been set in the rock, but will be done soon.

Near the cafeteria is a brick patio which was donated by the Senior Class. Benches will soon be added. Also as its project the Senior Class donated some planting boxes.

Mr. Manley C. Lewis was the architect who drew up and revised the plans to the grove. Boren Clay Products Company donated 12,000 bricks which would have cost approximately \$450. Part of the gravel was provided for by Lewis Concrete Company. Mr. Eugene A. Gullede, Keith's father, supervised and coordinated the brick laying, grading, and the building of the steps. Superior Construction Company was responsible for the patio, laying of the steps, and also engaging several brick masons.

As he surveyed the grove in its final stage, Keith commented, "I would like to congratulate the stu-
