

Whirlie Words

The Whirlies continue to be a challenge to the odds makers, after that erratic start, the Blue and White seemed finally to settle down and jell into a strong unit. Although there were a few shaky moments in the Burlington game, a tough offense pulled it out 27-20 for the Whirls. GHS looked even better against the Grayhounds of Winston-Salem Gray. A stalwart defense and offensive stars such as Frankie Leonard, Bobby Rives, Lynn Duncan, and Lennie Maynor rolled up a tremendous total of 40 points against 0 for the Twin City boys. This was the largest score run up by the Whirls in seven years. School and team spirit soared, those fumbles and stray passes of the early

games were forgotten. After the Whirlies play Lexington, there are only Salisbury, High Point, and Reynolds to knock over. Reynolds might give us a little trouble, but a tie for the conference crown was assured.

These predictions into the future were not very accurate. Coach Pres Mull of Lexington brought a good team to town, and he knew it. "If somebody doesn't watch out my little ole boys are going to hustle their way to some victories this season." The Jacket mentor gave this warning to his fellow coaches early in the fall, and he was not kidding. The Jackets proved themselves to be a fast squad with plenty of drive. Their conference record of no defeats was intact as they left the Gate City. By losing 21-13, the Whirls have pretty well lost any chance for the loop championship. Quarterback Larry Dempsey appeared to be injured in the second half. The exact extent of his injury is unknown as of this writing. GHS now has a record of 3-4 for season and 2-2 in the conference. Besides the disappointing loss, the Lexington game is also memorable for the red bits of fireworks, which drifted down from the sky and became pieces of cloth during the entire second half, especially at point after time.

High Point, Salisbury And Reynolds Round Out Whirlies' Remaining Schedule

Tonight the Whirlies journey to Salisbury to face the Yellow Jackets of Boyden High. The Jackets have been unimpressive thus far in the campaign with an 0-4 conference record. The Jackets had a late start this year with Ken Bumgarner replacing Hal Quinn as head coach just before opening practice. School spirit is high, however, and over ninety boys came out for the squad. Bumgarner uses a multiple offense,

Grimsley's JV's Defeat Gray 21-19

A determined effort by the GHS Junior Varsity enabled them to send Winston-Salem Gray home with a 21-19 defeat. This victory gave the Whirlie junior edition a 4-2 mark for the season.

Tommy Shumaker accounted for two Whirlie Tallies as he broke through for scoring romps of two and eight yards. Quarterback Steve Hazel connected on a home run play by finding end Bryan Cofer in the clear. This aerial TD play covered 60 yards.

Providing the victory margin for the J.V.'s was Freddy Allen. This future star plunged across to paydirt on every extra point attempt, thus providing the final spread.

Coach Steve Yates cited linemen Don Heaxt, Bryan Cofer, and Tom Ross for their outstanding defensive play. Also credited with containing the junior Grayhound's passing attack were defensive backs Tommy Shumaker and Bob Bain.

The Whirlie junior varsity has thus far suffered only two defeats; these being to the undefeated Smith High varsity and the once beaten W-S Reynolds J.V.'s. The Reynolds Fiasco still haunts Coach Yates. In this contest our J.V.'s had the lead, the ball (1st and 10), and merely 30 seconds remained. A fumble and a Reynold's 60-yard drive in twenty seconds spoiled the Whirlies' bid for an undefeated conference mark.

Whirlie '62-'63 Stars Reside At Colleges Throughout the South

"We were the Whirlies, the mighty, mighty Whirlies! Everywhere we went people knew we were because we made them stand up and take notice." Whether it was in football, basketball, track, swimming, baseball, wrestling, golf or tennis, the Whirlies from Greensboro were known and feared far and wide. Last year the GHS Athletic teams finished second in the 4-A conference in football, second in the 4-A conference in baseball, to make their overall record outstanding. This year 1962-63 outstanding stars are strung all over the south. All ready to start playing their famous Whirlie way for a new Alma Mater. Some of these players will always belong to Grimsley Senior High school memories and their memorable plays become standard patterns from which paper doll players are cut and expected to follow their models.

1963 finds Claude Manzie, last year's Whirlie Assistant football coach, heading the football staff at Smith Senior High School. Bob Powell, who started for the Whirlie basketball shooters in his sophomore year, was a key football and basketball star and is now making a name for himself at the University of North Carolina. John Hedricks, quarterback of the '62 football team, is now offering his services in football and basketball to the University of North Carolina, while Pat Moriarity, spark plug of last year's basketballers tosses for VPI. Davidson has the many talents of Mickey Andrews, who was an all round star for the Whirlies and Frank Crothers whose ability with the wooden tennis racket was known all over the state. The ability to hit a ball with a long shaped club proves valuable to letterman Fred Williams now residing at Wake Forest. Duke University receives the services of ace track star Harry Boyte and the swift paced free style, state record holder Jim Burwell who set a fast example for his colleagues.

In Case You've Been Wondering

The answers to the test appearing in the Oct. 11 edition of HIGH LIFE are: (1) The game played on Feb. 25, 1960, was with Burlington; (2) The Whirlies' top scorers were Center Bob Jamison, Guard R. F. Taylor, and Forward Fred Black.

A letterman in both basketball and track, Jack Harville chose to give his abilities to the fine coaches at the University of North Carolina. To finish out the roster of past stars are Bob Martain, letterman in basketball and a fine baseball player, staying near home at High Point College, and Earl Strickland, letterman in football, baseball and basketball, calmly starting all over again to build up his name at E.C.C.

These players are a part of traditions started many years ago to be carried on by the future teams at Grimsley. Their names are but trival things but the great plays provided by each will remain highlights in GHS history.
