

Lynch Heads Staff

Grimsley Library Officers Elected

Officers for the G. H. S. library are Sara Ann Lynch, President; Brenda Younts, Vice President; Susan Scott, Secretary; Adella McKeown, Treasurer; and Stuart Brittenham, Publicity Chairman. Miss Herring heads the staff as librarian with Miss Amy Moore as assistant.

The librarians select, with the cooperation of the teachers and students, special materials such as pamphlets, filmstrips, and motion pictures. Not only do they order new materials but they also keep back-issues of certain magazines for students needing reference material. They experiment with new methods of teaching and different ways of using the library in its fullest capacity.

These skilled workers encourage extra-curricular reading by giving lectures and by circulating certain materials throughout the classrooms. Aided by very capable student assistants, Miss Herring and Miss Moore kept the library in perfect order for research and browsing. Furthermore, they welcome classes to reserve the library for special reference work.

The Library Club calls meetings whenever anyone feels the need for improved library techniques. Usually, the club will have several dinner meetings, one of which will be in connection with Book Week.

On the agenda for the officers is the district meeting trip, which this year, is in Mayodan at a newly-built school.
