

Grimsley High Symphony Band Presents Premier Performance

On Wednesday evening, November 6, at 7:30, the Grimsley Senior High Symphony Band presented its premier performance in the G.H.S. school auditorium. The height of the performance was the appearance of the band's noted guest conductor, Serge de Gastyne. Mr. de Gastyne conducted his own composition, "Overture on American Themes."

Another exciting phase of the performance was a flute choir solo in the piece, "Flutation," written by Clara Grundman. There were several other solos to complement the program.

On the list of numbers to be played were three marches which Mr. Herbert Hazelman, the Grimsley High Band conductor, brought from Europe. "Fleurig Blut," a Swiss number written by Hans Heusser, Kobenhauer, a Danish piece written by Axel Frederksen, and "Chiclamera," a Spanish tune written by Oropesa Y. Carmona.

Next, the band played "Three Sketches"—"La Misa," "Chiquita," and "La Processional" written by L. Weine, who wrote another composition for band and choir which will be played later on here at Grimsley.

Premier

An even more important event was the premier of Mr. Hazelman's arrangement of "Overture and Scene" from "Swan Lake," written by Tschaiakowsky.

Following this, the Symphony Band performed "Dawn Breaks At a Shinto Shrine," written by a well known Japanese composer, Urato. Watanabe, and "Moorside March" from Moorside Suite, written by Gustav Holst.

Open To Public

The performance, which continued for one and one half hours, was open to the public. Anyone wishing to attend was to buy a ticket from one of the band members. The tickets were sold in order to raise money for each member to go to the World's Fair in 1964. There, the band will play a concert on July 4th.

Six Members Chosen For Citizenship Honor Roll

Six students have been selected as members of Grimsley Senior High's Citizenship Honor Roll for the first six weeks of school. Outstanding students thus honored are seniors Ann Jamieson and Keith Gullledge, juniors Dave Grimes and Mary Jane Kellett, and sophomores Tom Booth and Margaret Transou.

At the end of every report period, the students in each home room nominate one girl and one boy from the room as their best citizens. The list of home room nominees is submitted to the faculty to elect one boy and one girl from each class. No student may be elected more than once in a school year.

Requirements for Citizenship Honor Roll are very strict. The nominee must have a "B—" or better in department, must be passing at least three subjects, including one major, and must render some service to his school or community.

Citizenship Honor Roll is sponsored by the Student Council under the guidance of Miss Lottie Burnside.
