

'All Hail To Thee, Our Alma Mater Strong'

With the close of the 1964-65 school year, Grimsley's Class of '65 will bid farewell to GHS. For most of the graduates, their education has just begun.

A breakdown of the seniors' destinations shows that 345 students will go to senior colleges, 45 to junior colleges, 58 to business schools, 7 will join the armed services, 67 will start working, and 14 will attend special schools.

A list of seniors who have made definite plans as of this month is printed in this issue of High Life.
