VOLUME XLII GRIMSLEY HIGH SCHOOL, GREENSBORO, N. C., NOV. 1, 1965 NUMBER 7

Many of Grimsley's Whirlies have been busy here and there bringing honors for their school. Debby Stover, Greensboro advisor to Rainbow Girls, Judy Ellstrom, DAR citizenship award winner, and Kathy Howe, state vice president of O. Henry Juniors, stand in front of the trophy case. Absent for the picture were Janice Kistler, Miss Friendly Center, and Charlene Jones, DeMolay Sweetheare.

## Kathy, Janice, Charleen, Debby, Judy Receive State-Wide, City-Wide Honors

Coronations, elections, installations, and pageants have been numerous on the list of activities offered to Greensboro females. Five such participants winning a crown or position have come from Grimsley.

### KATHY HOWE—Vice President

Senior Kathy Howe was elected state vice-president of the O. Henry Juniors during a two-day state-wide jamboree held in Charlotte last August.

As first vice-president Kathy's duties include the directing of O. Henry Juniors' Golden Door Project in which clothes and toys are collected for children in homes for the mentally retarded.

### JANICE KISTLER—

Miss Friendly Center

Following a week of competition involving modeling and talent presentations Janice Kistler, sophomore, was crowned Miss Friendly Center on Monday, October 18.

Janice appeared in a bathing suit, churchwear, sports outfits, and an evening gown during the competition and sang folk songs "Five Hundred Miles" and "If I Had A Hammer" for her talent entry.

Her duties to come include several television appearances, riding in the Veteran's Day Parade and later, the Christmas Parade.

Grimsley's Susan Oberholtzer and Cindy Gibson make up Janice's court. Janice, who is the fourth consecutive Miss Friendly Center from GHS, succeeds graduate Lynda Jones.

### CHARLENE JONES — Sweetheart

Charlene Jones, a senior, is DeMolay Sweetheart for 1965-66. Last August she was selected by the members of the Greensboro Chapter of DeMolay.

She will be on hand this year to help organize money raising projects, and take charge of refreshments at the group's parties.

### DEBBY STOVER—

Worthy Advisor

Grimsley's Debby Stover, senior, has been elected worthy advisor of the Greensboro Rainbow Girls. Her installation was on October 10.

Debby is in charge of the organization's annual donut sale, to be staged on November 23 this year, and their perfume sale, which is to start within the next two weeks. "Money from these projects," states Debby, "will go

toward our annual Christmas dance with the DeMolay."

### JUDY ELLSTROM—

Youth of the Month

One of September's two Youths of the Month was Judy Ellstrom, senior. Judy, who is Secretary of the North Carolina Student Council and a member of the 1965-66

Homecoming Court, was chosen by the Greensboro YRC for this honor.

In addition she received the Daughter's of American Revolution Citizenship Award, which is given to one female senior in every high school in the county once a year.

## Dedication of George Grimsley Also In Students of Namesake

By Jan Petrehn

Between the dusty covers of the 1910 REFLECTOR, Senior High's first yearbook, lies the story of a school year few remember. However, the name of the man to whom that REFLECTOR was dedicated has survived time and still lingers about the halls of the school which has been named after him.

"To George A. Grimsley, for twelve years the faithful superintendent of the Greensboro City Schools; for many years the president of the School Board, and as such, a zealous advocate of the cause of education at all times and in all places; the pioneer in securing High School advantages for the boys and girls of our city . . ." reads the dedication of the REFLECTOR.

Grimsley's great grandfather came to North Carolina as a pioneer. Later his father inherited a small tract of land, which, by his death at 65 years of age, had been increased to 1000 acres

George A Grimsley was one of six children. He attended Bingham Military School in Mebane and later attended the University of Nashville in Nashville, Tennessee. He graduated in 1888 and dedicated the next 30 years of his life to the improvement of educational opportunities for children.

Elected superintendent of Tarboro Public Schools in 1900, he resigned the next year to become superintendent of the Greensboro Public School System.

Later he gave up that position to work as secretary of the Security Life and Annuity Company. Grimsley was elected president of Jefferson Life after Security Life emerged with Greensboro Life Insurance Company.

Today Grimsley is remembered for his dedication to edu-

cation in this city. On July 1, 1962 the name of Greensboro High School was changed to Grimsley High School.

## Many Suggestions Available For Service Club Projects

Many of Grimsley's service clubs are now searching for a service project for the coming year. Often it is hard to decide what projects are needed most by the school. For the benefit of these clubs, HIGH LIFE has compiled a list of suggestions from students and faculty.

### GHS Delegates Go To State Student Council

From November seventh through November ninth, five members of Grimsley's Student Council will be participating in the North Carolina Student Council Congress at Williams High School in Burlington. They are Steve Cumbie, Judy Ellstrom, Lynn Frieron, John McNairy, and Tim Weikel.

These delegates will be taking part in several activities at this convention. Cumbie, Frieron, and McNairy are serving as delegates for GHS. Judy will be finishing her term as secretary of the state convention. Tim Weikel has been invited to be a discussion leader.

Sunday Grimsley's representatives will begin attending a series of workshops and discussions on subjects such as stimulating interest in student council. Grimsley delegates will offer their idea of letting students witness council procedures.

Other subjects to be discussed are public relations and the responsibility of American high schools. There will be round council problems and their possible solutions.

On Monday the convention-goers will choose their officers for the next year. GHS has no nominees this year. While ballots are being counted, reports on the previous day's discussion will be given. The new officers will then be installed and the Thirty-Ninth North Carolina Student Council Congress will come to a close.
