### 'Days of Wine, Roses' **To Be Prom Theme**

"Days of Wine and Roses" is the theme for the 1967 Junior-Senior Prom, Saturday night, May

Music for this formal dance will be provided by Dick Wells and his orchestra from 8 p.m. until 11:30 p.m. Favorite selections may be requested by the students for the orchestra to play.

#### Bleachers Covered

The bleachers will be covered by art work and the name of 'Days of Wine and Roses." In front of the gym, over the trophy case, a mural by Julie Foard, junior, will be placed to help carry out the theme.

A garden will serve as the central figure for the dance. Homeroom presidents and their dates and senior members of Student Council with their dates will form the figure dance during inter-

Decorating for the dance will begin Friday, May 26, and will continue Saturday. Rig Dees, chairman for this year's Prom, urged all interested students, sophomore, junior, or senior, to help with the decorating.

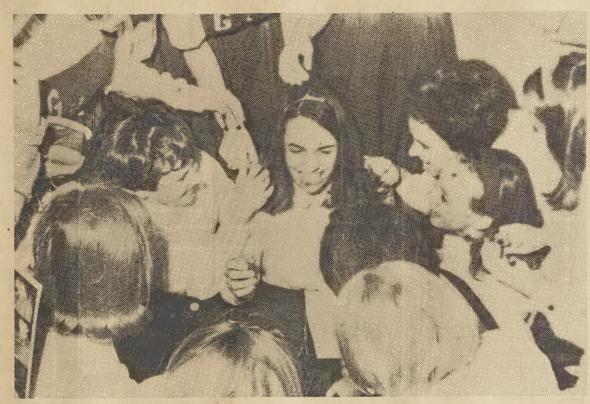

#### Tickets On Sale

Tickets for the dance, which will be in the boys' gym, will be on sale for \$3 a couple.

The Prom committee was selected at the beginning of the year. Rig, who was appointed as chairman, then divided the committee into sub-committees.

The main groups formed were the ticket committee, the figure committee, and the publicity comwhich is traditionally headed by the Pep Board.

who has been the best citizen that six weeks:

Varsity Cheerleaders for the 1967-68 Whirlie athletic season are Cathy Huff, Laura Jeans, Margaret Shelton, Debbie Clemons, Sherry Norris, Pam Silkworth, Patti Seuss, Debbie Owenby, Bunny Ownby, Sue Wyatt, and Barbara Israel. This scene of tearful joy followed the announcement by Connie Giles, retiring head cheerleader, that Barbara Israel had been elected next year's had cheerleader.

## \$4,000 Earned By Service Clubs Money-making Projects Initiated

Approximately \$4000 was made this year by the 13 Grimsley service clubs.

Each year, the different service clubs decide upon money-making projects, in which they may profit the most. After gains have been made, the clubs donate and undertake many projects around the campus to help improve GHS.

The Charioteers have made \$300 this year from their annual Fashion Show and an additional \$64 from the Teen-Age Carnival. The club is spending \$100 for School Beautiful by re-landscaping their plot in the grove.

A fruit cake sale financed the Civinette Club as profits totaled \$600. For School Beautiful, \$150 was spent in their rose garden.

#### Hand Book Given

The Civitans also sold fruit cake, making \$400. For their handbook, which is given to the sophomores, \$250 was spent and \$100 was also devoted to School Beautiful.

Approximately \$425 was made by the Exchangettes when they sold the Whirlie Booster buttons this year. They also made about \$80 from the Teen-Age carnival. During the year, their main service project was building the sidewalk at the Science Building. This project and working in their garden cost the club \$300.

The Exchange Club has earned about \$300 this year, \$90 of which was from the Teen-Age carnival. They spent \$150 for their school beautiful patio and improving the football bleachers.

#### Birkbeck Sponsored

From the Teen-Age carnival and raking leaves, the Inter-Act Club has received proceeds of \$275. This money has helped the club to sponsor Ken Birkbeck, the exchange student from Australia and aided them in hosting the Inter-Act District Convention.

The Junior Jaycettes have made approximately \$295 this year. \$200 was made when the club sold GHS stationery, and \$95 was made from their booth at the Teen-Age carnival. \$93 was spent for School Beautiful, and approximately \$100 was spent for the Buddy System.

Whirling Boots Financed The O. Henry Juniors totaled \$550 this year. This was made from their sale of the GHS pens. They also financed the Whirling Boots and contributed \$100 to School Beautiful.

Profits totaling \$425 have been earned by the Philomathian Hi-Y this year. The club sold flares and received \$200. Dinner meetings and car washes financed other needs. For World Service, the club contributed \$110, and for the YMCA \$50 was given.

The Seniorettes made \$116 from the Teen-Age' carnival. Another \$150 was earned from selling candy. The club has helped with School Beautiful this year.

Fixing a plot in the teachers' parking lot was the main project of the Sub-Juniors this year. This undertaking cost the club \$130. Their money-making project for the year was selling candy, and they made \$175.

## Jaycee Auto Road-E-O **Sponsored By Division**

Lincoln Mercury Division recently sponsored the Sixteenth Annual Jaycee Safe-Driving Auto Road-E-O.

"The Auto Road-E-O is the nation's top youth safe driving contest and the place to demonstrate all-around driving and knowledge in competition with other stu-

Behind the wheel, the student had the chance to demonstrate how well he could handle a car in traffic, maneuver and park. He also took a written test to measure his driving knowledge.

Local Jaycees selected the course, judges and conducted the entire event. Winners of the local contest will advance to the state finals. Winners of the state championship-both a boy and a girlwill attend the National Auto Road-E-O at the University of Michigan at Ann Arbor.

To be eligible for the contest, a student had to be a licensed driver currently enrolled in either a public or parochial high school and must not have turned 19 before August 1, 1967.

Also, he must have not married until after the national finals, must not have had a pending charge or a moving violation, and must "not have been convicted of such violation in the six months prior to the national finals."

The first round of the competition began with the local contest. The local contest was Saturday, May 20, at the Sears Mail Order House.

# Plans For Vacation Lurope

Plans for summer vacations have previously been made for many Grimsley students, and one of the vacation lands is Europe.

Aileen Ponder, senior, is going to study in Europe this summer for six weeks. Her studies are in cooperation with the Foreign Language League, an organization which functions both here and abroad.

Aileen is the only student from GHS who will travel with 17 other students to Europe on July 20. Students who are participating in this program range from ages 15 to 19 and must either be attending a secondary school or college.

The main places visited will be Paris, France; Florence, Italy; and Rome, Italy. Side stops have also been planned for Naples, Italy; and Pompeii.

The main courses which the

students may study are French, Spanish, comparative governments, English literature, and art history, which Aileen will study. In order to study a specific course, the student has to have studied that subject this year.

The travelers will be staying in different universities throughout Europe. Mornings will be set aside for their studies while the afternoons will be spent sightseeing.

Aileen first considered this program when Miss Ruth Scarborough, art instructor, introduced the idea. Before Christmas, Aileen filled out an application for the trip and was finally accepted two months ago.

Aileen stated that the main requirement was having a B average or better in all subjects.

Mrs. Austin, a teacher from Page, will accompany the 18 students to Europe.
