Rabbi Joseph Asher, left, of Temple Emmanuel, has accepted an invitation to speak at the Commencement Exercises of Grimsley, on Tuesday, June 4 at 8 p.m. The exercises will take place in the boys' gym. The Reverend DeArmon Hunter, of Christ Methodist Church, will speak at the Vesper Service, Sunday, June 2 at 5 p.m. in the auditorium.

Rabbi Joseph Asher, of Temple Emmanuel, and the Reverend Parks DeArmon Hunter, Jr., Minister of Education at Christ Methodist Church, have accepted invitations to speak at the graduation exercises and the Vesper Service, respectively.

Rabbi Asher will speak at the Graduation exercises on Tuesday, June 4, at 8 p.m., and Mr. Hunter will lead the Vesper Service Sunday, June 2, at 5 p.m.

A native of Germany, Rabbi Asher received his secular and rabbinic training at the University of London and the Jews' College in London, respectively.

During World War II he served in the Australian Army in the

Southwest Pacific Theater and later with the army of Occupation in Germany. He remained in Australia at the end of the war to serve at Temple Beth Israel in Melbourne.

Rabbi Asher came to the United States in 1948 on a Fellowship to the University of Cincinnati and the Hebrew College in Cincinnati. He served congregations in Alabama and Florida before coming to Greensboro in 1958.

A feature story appearing in LOOK magazine in April, 1965, which suggested a re-appraisal of Jewish attitudes to the new German generation brought national attention to the Rabbi.

A suggestion to organize a Rabbinical Visitations program to Teachers' Colleges in Germany, also proposed in the LOOK article, has since been taken up by the Commission on Interfaith Activities of the Union of American Hebrew Congregations, and has received widespread applause in educational circles in Germany.

Among the various offices administered by Rabbi Asher are President, Family Service-Travelers Aid Agency of Greensboro; Past President, North Carolina Association of Rabbis; member of the Board of the North Carolina Fund; member of the Governor's Council on Comprehensive Health Planning; and member of the National Commission Interfaith Activities.

The Reverend DeArmon Hunter was born in Charlotte, North Carolina, and graduated from Greensboro Senior School. He received an A.B. in history from Duke University. After a year and a half, he entered the seminary at S.M.U. in Dallas, Texas. He was graduated from Perkins School of Theology (SMU) three years later.

Mr. Hunter served at First Methodist Church in Charlotte, North Carolina, as Minister of Education until June, 1965. He is presently the Minister of Education at Christ Methodist Church in Greensboro.

By his own statement a "happily married man," Mr. Hunter is the father of three sons, Parks, John, and Evan.

### Allred Chosen As Senior Best Citizen

Civitan Best Citizen Award, given each year to the senior voted the best citizen by his classmates, this year will go to Joe Allred, vice president of the student body.

Joe attended a program at West Market Street Methodist Church, which honored the Best Citizens chosen from all the junior and senior high schools in Guilford County, on Friday, May 10.

The program was expanded from a luncheon only to a three hour schedule which began at 10:30 a.m. Friday morning, and ended with the luncheon.

All seniors nominated students for the Best Citizen Award in their homerooms. The list was then narrowed to five to include Joe, Rig Dees, Jim Powell, Jody Turner and Charlie Wilkins. Final voting took place in senior homerooms on Friday, April 26.

## Grimsley Library Closes On May 23 ; Books Due For Inventory May 22

Grimsley's library will close for the 1967-68 school year at 10 p.m. Thursday, May 23, but books will be due in the library by 4:30 p.m. Wednesday, May 22.

A penalty of 25 cents per book per day will be charged for each book which is overdue past this date, beginning at 8:15 p.m. Thursday morning.

### Bulletin Sent

In a bulletin sent to all teachers, Miss Mildred Herring and June Bleakley, librarians, requested that no reports involving the materials in the library be assigned or due after May 22.

All students and teachers are

asked to return any unclaimed books found in classrooms, halls, lockers, and elsewhere around the campus. Many books have been lost or stolen from the library, a problem which increases every year.

Already this month several books which were missing at the mid-year inventory have been returned to the library.

### Exams Restricted

Again this semester, as was the administration's policy at the first semester exam period, those students who have overdue books, or owe fines or lost or damaged books will not be permitted to take their exams until these irregularities are cleared up in the

library.

The library's closing and the taking in of all books are preliminary steps to the inventory of all library materials at the end of the school year. Also to be completed before the summer

## New Staff Organizes Experimental Issue

According to Mrs. Julie Wall, Editor of HIGH LIFE, the May issue of HIGH LIFE will terminate the publication of the paper for the 1967-68 school year. Mrs. Wall explained that this paper was published by the HIGH LIFE staff for next year and by students from her journalism class. Part of the positions for next year's staff have been filled. However, a number of them are still vacant.

In this paper, known as the experimental issue, positions were filled by: Sue Tucker, Managing Editor; Advertising and Business Manager, Don Vaughn, assisted by Sue Tucker; News Staff, Sandra Dodson, Karen Jones, and Len Slack; Feature Editor, Marcia Quigley; Editorial Staff, Bob Keese and Elyse Topkins; Sports Editor, Jean Garvin; Cartoonist, Skip Holt; Photographer,

Howard Ratsch, and Exchange Editor, Carol Groover.

"These positions are flexible and are subject to change, so any interested persons are urged to join the staff," explained Sue, Managing Editor.

The staff wants to run a column on the editorial page similar to this year's "Dees' Debris". Also, anyone who is interested in reviewing books and movies for the paper is wanted. A column like that of "Charlies' Corner" for the Feature Page is needed.

Although persons will be assigned specific areas in which to work for the paper, the staff will be working and cooperating together. Mrs. Wall hopes that each student's job will merge with others so that everyone will be helping each other. She feels that the paper can better benefit in this way.

### Varsity Cheerleaders Selected For Next Year

Varsity cheerleaders for Grimsley's 1968-69 school year were selected Thursday, May 9, from juniors and sophomores trying out.

The new cheerleaders are: Margaret Shelton, head cheerleader; Patty Bridges, Debbie Clemons, Debbie Clendenin, Marcia Cooper, Cindy Herd, Susan Hill, Kathy Huff, Laura Jeanes, Pam King and Carlie Zierath.

Tryouts took place in the boys' gym after school, after two previous days of practicing cheers. Judges for the tryouts were Judy Murray, Miss Barbara Davis, Mr. Manley Lewis, Mr. Wiley Ruth, Mrs. Kitty Steele, and Mrs. Joyce Clark.

The girls, junior hopefuls slightly outnumbering the sophomores were divided in groups of four each for the tryouts. Cheers used for the tryouts were "Whirlies" and "Victory." Two different types of jumps were also demonstrated by the girls.
