NUMBER 11

Coach Canady shows his skill at recent Grimsley-Page faculty basketball game.

S. L. O. B.s Planning Sunday Meetings

Beware! The S.L.O.B.s are on their way to Grimsley. This year the Sunday League of Bowlers will bowl at Friendly Lanes at 2:00 p.m. The bowling season will last for four Sundays beginning on February 23 and last until March 16th. The S.L.O.B.s will consist of high school students only and no handicap will be required. Students from all over the city will be divided into eight leagues, with four teams in each league. Each team will have four bowlers—two girls and two boys—plus two alternate players. Each team will also be required to have its own scorer. Every Sunday three games will be played at a cost of only \$1.05. The

first of the three games will be a regular round. The second game will be the "S.L.O.B." round, (a big surprise for those unfamiliar with the S.L.O.B.s.). And the third and final game will be another regular round. All those interested may sign up in the main hall on the GYC bulletin board. Since eight team captains are needed, anyone wishing to be one should designate this beside his name. The team will be selected on a first-come, first-serve basis. The Grimsley coordinators are Freddy Robinson and Susie Levy. Contact them for more information about the S.L.O.B.s., sponsored by the Greensboro Youth Council.

TWIRP Dance February 15th

Well, the time has almost come when the girls trade places with the boys! This year's annual TWIRP Dance, sponsored by YRC, will be held on Saturday, February 15th. The action will begin at 8:00 p.m. and last until 11:30 p.m. The music will be provided by James Crosby & The Meditations. This year's theme will be Valentine's Day and the dress will be casual. Just think, all this plus loads more for only \$2.50 per couple! So remember, February 15th in the girls' gym, the TWIRP dance.

The ritual of TWIRP Day will be held on Friday, February 14th. Boys, you better get ready to see the girls carry your books, sharpen your pencil, and open the doors for you. Also don't forget that The Woman Is Required To Pay for your one and only TWIRP date. Girls, start saving your money and invite that special guy soon.

Also, again this year the senior girls on YRC and Student Council will sponsor the boys they think are qualified for the TWIRP Court. Baby pictures of these lucky boys, accompanied by a jar in which to place money, will be located in the main hall. The only trick is that there will be no names on the jars or pictures, SO, GOOD LUCK guessing! The boy who collects the most money will be TWIRP KING. This contest is supposed to be a take-off on the Homecoming Queen. The TWIRP King will be presented at the TWIRP Dance.

Another tradition to be carried on this year will be the TWIRP Traffic Squad. The real Traffic Squad, headed by Chief Ralph Voight, will pick girls to take their post on Friday, February 14th. So, mark your calendars now: TWIRP DAY—FEBRUARY 14th

TWIRP DANCE — FEBRUARY 15th!!!

Evaluation Made Of Council Projects

The Grimsley Student Council recently conducted a poll in a handful of homerooms to determine how successful four of its projects this year had been. The

results of the poll were released to HIGH LIFE and are disclosed below.

The first question of the survey concerned the work of the Pep Board. Each different area of its work was rated by the students as either very effective, mildly effective, or not effective. According to the results, skits, both at assembly and at Pep rallies, were the most effective of all Pep Board undertakings. Car painting and special pep days were also considered effective by most students, while all other area (Banners, Announcement, Bulletin Boards, and Stadium Decorations) generally received "mildly effective" evaluations. The ballot also urged students to make special suggestion on the reverse side. The most frequent suggestion made was that the Pep Board should have more skits than they are presently allowed.

The second section of the poll dealt with this year's school charity drive for project Hope. The questions and results were:

"Did you think the 'Project Hope' assembly was worthwhile?" Yes—114, No 18.

"Do you think that 'Hope was a good selection for a project?" Yes—147, No 12.

"Do you think the method of collecting the money was efficient?" Yes—51, No 109.

The third question dealt with this year's controversial Homecoming. For the first time this year the Homecoming Court was chosen by a special committee instead of the traditional method of having members of the football team sponsor contestants. On the questionnaire students voted 113 to 51 in disapproval of the new method. This decisive "no" vote was accompanied by a number of suggestions in which students complained that the football players had not received their share of honors from the event.—63% also felt that the Homecoming as a whole was not a success.

The scheduling of Midwintre's underwent a change this year. The dance usually scheduled for January, was held in December.

Did you think that December was a better time for the dance

Valiant G.H.S. Faculty Narrowly Loses To Page

In spite of its heroic play in his year's Page-Grimsley faculty basketball game, the Whirlie faculty narrowly lost to Page in what proved to be one of the most exciting sporting events Grimsley students have seen (or missed) so far this year. At the start, the Grimsley team seemed to be at a decided disadvantage against its crosstown rivals. Having neither the depth on the bench (a total of eight men on the team) nor a large cheering section, it looked certain that the Whirlies were in for a long hard fight against the much younger Pirates. The Whirlies, however, were not so quick to give in and played inspiring basketball that kept them in the lead for over three-quarters of the game.

The event is a money-making project co-sponsored by the Grimsley Key Club and Page O. Henry Juniors. The event, which was held two years ago but dropped last year for lack of a Page co-sponsor, attracted a crowd of over 500 students.

The first quarter was extremely close as the score managed to totter back and fourth between the two teams. At the end of the quarter, Grimsley was ahead by one point, 11 to 12. During the second quarter, however, the Grimsley team began to check the Page team and soon had pulled to a fairly good lead.

Stars of the Grimsley surge were coaches. David Murr and Andy Canaday. Mr. Murr, who played at the high post position and was the tallest man on the court, brought in many a valua-

ble rebound as well as making a number of goals. Canaday and Murr were the big guns for the Whirlies as they pulled out in the first half. It was the Whirlie defense, however, that made the big difference. While holding the Page team far from the basket,

Heart Fund Tag Day Scheduled

The 1969 Heart Fund Tag Day has been scheduled for Saturday, February 15. This announcement was made today by Kathy Gray, GYC Service Committee Chairman and Chairman of the Tag Day. Approximately 30 teen-age clubs will be taking part in the day-long fund-drive on city streets. Club members will be soliciting in the downtown area and in all major shopping centers. In return for donations to the Heart Fund, club members will give donors their choice of Heart balloons or Heart tags. Tag Day hours are 10:00 a.m.-4:30 p.m.

Special awards will also be given to the club and the individual who collect the most money. The club award is \$25.00 while the individual winner will receive a special gift from the Heart Association. These awards will be made at the GYC office in the Recreation Dept. at the end of the Tag Day.

and occasionally stealing the ball from their often careless or poorly-drilled opponents, the Whirlies managed to hold Page down to a few outside shots, while bringing in most of the rebounds. At half-time, Grimsley led 30 to 23.

During the third quarter Grimsley held at first, but then began to fade. As the game wore on, the speed of the Page team began to tell on the Grimsley five without the bench support of Page, began to tire. With only seven men seeing any real action, the Grimsley faculty was understandably exhausted. At the end of the third quarter Grimsley remained ahead by only four, 39-35.

During the fourth quarter, Page scored on a number of successful fast breaks and passed Grimsley at 41-43, halfway in the final quarter. Page continued to pull ahead, but Grimsley gaining a second strength for a moment pulled within three points. It didn't hold, however, and Page again pulled out against a fighting, but exhausted Whirlie team. In a valiant clutch effort, Grimsley Coach Robert Glenn took Herbert "Wilt the Stilt" Hazelman off the bench with only seconds left. Those in the crowd who had been yelling "We want Herb" began to cheer as their stylishly garbed band director dribbled evasively up the court and fired an heroic, all-or-nothing shot from midcourt. The ball, barely missing the backboard, fell into the hands of a Page teacher and the buzzer soon sounded, ending in the defeat of the tried but noble Grimsley faculty team.

GIRLS! Your day is approaching!

than the customary January (Midwinters)?

Yes—60, No—96

How would you rate the decorations?

Good—75, Fair—52, Poor—12

How would you rate the publicity?

Good—52, Fair—80, Poor—12

The majority of students polled would like the dance to take place at the customary time.
