Spring Concert Given

The Grimsley High School Choir presented their annual Spring Concert on March 22 at 8 p.m. in the auditorium.

"O Bone Jesu" by Palestine opened the program followed by "Hallelujah" from the Mount of Olives by Beethoven. The choir then sang "The Lord's Prayer" by Robertson, "The Last Words of David" by Thompson, and "Salvation is Created" by Tschekunoff.

Chosen from the choir, the Madrigal Singers sang "Lasciate Me-noire" by Monteverdi. Also performed by these students was "A Rose Touched by the Sun's Wain Rays" by Berger and "waltzing Matilda" a bright number by Cowan.

The entire choir was then brought back on stage. They presented four numbers, "Choose Something Like A Star" by Thompson, "Sure On This Shining Night" by Barber, "The Stars Are With the Voyage" by Bright, and "Say Thou Lovest Me" by Cain. While the choir took a break, Miss Lynn Moore, accompanist for the group, played a piano solo "Rhapsody in G Minor" by Brahms.

GHS Student Receives Brooks Scholarship

Kathy Shields, a senior member of Torchlight at Grimsley, recently was named as one of the 3 recipients of the A. L. Brooks Scholarship for Study at the Consolidated University at Raleigh, Greensboro, or Chapel Hill. The scholars were picked by interview from 39 finalists. Each scholarship is valued at \$2800 for four years or \$700 per year.

The scholarships are given on the basis of academic standing, character, leadership, financial need, and "the will of the recipient to help himself or herself prepare for a career as a useful and informed student."

The scholarships were established by the late Aubrey Lee Brooks, Greensboro lawyer who died in 1958.

For their last two numbers the choir sang "Magic Moments" by Bacharach and "Battle Hymn of the Republic" by Wilhousby. Before performing the Alma Mater, Mr. and Mrs. A. P. Routh, the principal of GHS and his wife, were presented with gifts from the choir with deep appreciation for all they have done for the choir in the past years. The Spring Concert was also dedicated to the couple.

Director of the choir is Miss Jeanne Meredith, and assistant director is Mr. Ronald Hill. The student teacher from UNC-G, Miss Carolyn Abbott, also directed one number.

Many New Ideas Contributed By New Student Body Officers

Many interesting ideas have been contributed by the new student body officers for the 1969-70 school year.

The new President of the GHS student body, Jimmy Palmer, feels "it is necessary for the President to represent the students and to work for what they want." Committee appointments will be made by application and will consist of all students. Jimmy intends to work with the Forum on projects and will have their elected officer on Student Council. Also stressed will be the presence of the four major High Schools Presidents on the existing GYC President's Council. Communications with students will be improved by; reading all letters and personally answering those addressed to the President; having a Suggestion Box in each homeroom; having reporters to relate Council business to High Life and Greensboro City Papers; and by seeking views of the students. Jimmy's main goal for the student body next year is "Leadership through Involvement".

Don DeBragga was chosen as the Vice-President of the student body. He wants to help "Youth—the leaders of tomorrow." To do this the Student Council must develop "aggressive leadership, set high standards, serve the community with straight talk dialogue." Don also favors a wider variety of assemblies for next year.

A rising junior, Connie Voight, the new Secretary of the school wants to work with all other officers in bettering the school. Council meeting minutes, if possible, will be put in HIGH LIFE.

These minutes will include what the council decides as well as what they discuss concerning the problems in the suggestion box. Connie feels "that Secretary is one of the most important jobs and not just a job to be thought of as a separate office".

The new Treasurer, Lisa Folk, intends to do any necessary book-work and any other job that she is called upon to do with enthusiasm.

As the new Traffic Chief, Ferd Stout will cut the number of the

traffic squad to a more effective number. The posts will be moved to function for the most good. All members will be chosen by written applications and approved by the Executive Board of Student Council. Ferd also intends to work with the Student Council.

Pam Ricketts, the new YRC chairman, plans to have more open houses with better bands. She will require respect from all YRC members with "strict consequences if this respect is not shown". Members will also have more responsibility and more rigid requirements. Pam wants the Student Council and YRC to work together.

Summer Youth Volunteer Program

Each summer since 1964, the Volunteer Bureau has offered a "Youth Volunteer Program." In this time over 600 students, 14 years and older, have had the opportunity to volunteer their services in the community.

The type of work available will range from helping on playgrounds to working with handicapped children. Other kinds of jobs offered in this program include work in areas such as offices, museums, libraries, camps, and schools for the mentally retarded.

You may be filing, typing, meeting the public, helping in recreational, occupational therapy, helping a teacher or recreation instructor in group work, assisting in a library or helping to develop educational material.

This is a chance to make your summer a most worthwhile and rewarding experience by volunteering your services now!

G.H.S. Students Hold Officers In For State Jr. Jaycees

The Junior Jaycees of GHS recently made a sweep of officers on the state level. At a convention in Wilson held on the last weekend in March (28-30) three elected officers were GHS students. Joe Carruthers was elected Governor, David Cochrane Jaycee Lieutenant Governor, and Mike Friarson, Jaycee Secretary of State.

Joe Carruthers who has been a member of the Junior Jaycees for two years and acted as Chaplain this past year. He will be a senior next year and will act as head of the state organization which is in its first year.

David Cochrane and Mike Friarson are both sophomores. Dave will serve in the capacity as to help Joe in his work with the state. Mike Friarson who was elected Junior Class President will serve as Secretary of State to further develop ideas with the other two.

This is the first convention of its kind held by the Junior Jaycees. Six clubs from over North Carolina were represented. On the first try, GHS will be well represented so if you see them, wish them luck!
