UNC-G Choreographer helps out SOUTH PACIFIC cast.

Grimsley Service Clubs Inform Of Activities

The HIGH LIFE Staff wishes to have a serial on Grimsley's clubs. In the following issues we will continue to recognize clubs in order to inform the student body of their various activities.

Key
The Key Club is sponsored by the Greensboro Kiwanis Club. The club holds a dinner meeting every first and third Wednesday of every month and a business meeting every second and fourth Wednesday (whether or not there is any business to be discussed). The Key Club annually presents a school directory free to each member of the faculty and student body. The club officers are as follows: President, Rich Llewellyn; Vice President, David Hipps; Secretary, David Gutterman; Treasurer, Newell High-

smith; Chaplain, Rick Blinkhorn; Sergeant-at-arms, Randy Kaplan. They are advised by Mr. Allan Kivett (Kiwanis Advisor) and Mr. Smith. Some of the projects the Key Club have planned or are planning to carry through the year are Miss Christmas Seal, Teenage Carnival, the recent Bike-A-Thon, Tag days, and a vocational project. Any boy interested in becoming a member and has a 2.0 grade average is eligible. They have room for two seniors, six juniors and three sophomores.

The O'Henry Juniors, organized February 2, 1963, by the O'Henry Woman's Club, takes an active part in school and community activities. The club, composed of thirty-five active girls, meets the first and third Wednesdays alternating between dinner and business meetings. The officers for the club are the following: President, Jane Selders; 1st Vice President, Karen Williams; 2nd Vice President, Carol Shelton; Recording Secretary, Susan Sparks; Corresponding Secretary, Dalya Kutche; Treasurer, Sandy Wilkins; Chaplain, Lorraine Bell; School Beautiful Chairman, Ginger Steel. The girls, along with the help of their club advisors, Mrs. Herman Shelton, Mrs. Harry D. Kellett, and Mrs. Garland Murray, are planning such projects as selling Nestles candy bars, working at Wesley Long Hospital, collecting for organizations, such as M. D. Heart Fund, and Cancer, Miss Christmas Seal Project, Homecoming Project, Teenage Carnival, and Christmas Toys Project. If you are interested in joining and willing to work, either see Jane Selders or put a note on the OHJ's board.

Hi-Y
The Hi-Y club was re-organized into a service club in the fall of 1961. Some of its projects for the year are GHS Mug Sales, party for underprivileged children (held at the YMCA with their sister club, Y-Teens) egg throwing booth at the Teenage Carnival, and School Beautiful. It meets on either Tuesday or Thursday nights at the YMCA. One of the qualifications for becoming a member of the club is to be willing to work. The club officers are the

Student-Wide Interest To Stage 'SOUTH PACIFIC'

Contrary to common misconception, South Pacific is not another Junior Class play.

First of all this play is being presented by Playmasters, chorus, and the orchestra.

Much money and time have been spent on this production, and it will no doubt prove to be an elaborate affair.

South Pacific is scheduled to run from Uovember 29 through December 1.

The play will start at 8:00 and should last no later than 11:00.

Cost will be one dollar for students and two dollars for adults.

Two pairs of tickets will be given away free in a drawing courtesy of South Pacific. See Page 4 for coupon and further details pertaining to the free drawing.

The cast for SOUTH PACIFIC practices for opening night.

Glasser Program Underway Students, Teachers To Rap

The main objective of the Glasser Program, presently underway at Grimsley, is "to promote success with students here at school," explained Mr. Glenn recently. He

continued to say that the idea is "schools without failure," not meaning schools in which students cannot fail courses, but, rather, schools in which students are encouraged to express themselves and to think and behave in a positive manner in order to achieve a feeling of success. Mr. Glenn remembered that a few years ago he had used similar methods with students picked at random from study halls.

The leadership team for the program at Grimsley is composed of Mr. Glenn, Mr. Ballance, Mrs. Moody, and Miss Tamblin, who have participated in training sessions with representatives from

PTSA Suggests Possible School Renovations

A list of possible future improvements compiled by PTSA committee on capital improvements and renovations, which is composed of parents, students and teachers, could include:

Guidance Center—Renovate, rearrange floor space to provide conference and testing rooms, air condition, and carpet floors.

Art Room—Two more rooms will be constructed in the present Science Building after the new Science building is built.

Cafeteria—Install new floor covering and hand basin in the kitchen as required by health authorities.

School Parking Lot—Pave. Replace windows in main, science, cafeteria buildings, and girls gym with metal windows.

Paint—Inside and outside of all buildings.

Repair—Plaster on all inside walls where needed.

Install—New flooring on stage of auditorium, new clocks in buildings where clocks are not located, new floor tile or carpeting in lobby of school office, new steps in main, science, and cafeteria buildings and install air conditioning in all buildings. Increase the size of the girls' gym.

Reconstruct the tennis courts.

The renovations of the bathrooms are due to be completed in the near future. The architect is presently working on plans for the \$600,000 Science Building. It will have five biology classrooms, two chemistry labs, one physics lab, and a greenhouse.

The cafeteria is one of the first completed renovations of Grimsley.

Student Council Appoints Remaining Positions On Council

With student council now underway, final appointments were made for those officers not filled by elections.

Sophomore class Vice-President this year will be Adrienne Widemon. Representatives for that class that were appointed are Carol Brown, Brenda Chance, David Kennett, Beth Magee, MacLean Swygert, and Leigh Williams.

Linda Essa, Joe Hodges, Sandra Ingram, and Franklin Moffitt now occupy the remaining positions, while B. J. Battle and Carol Shelton round out the senior class officers.

The names of this year's committee chairmen are as follows:
Alumni—Sally Albright
Scholarship—Suzanne Lasek
Fund Raising Project—Linda Koontz, Holly Jeffus
Project—Shawn Wilson
Assemblies—Dubby Evins
Inter School Relations—Glen Macdonald
Publicity—Sally Albright, Judy Marks
Activities—Hunter Dockery
Suggestions—Carol Shelton
School Beautiful—Kathy Garrett, Linda Allgood
Constitution—Tim Malburg

If any student would like to serve in any way on one of these committees, they should contact either the committee chairman or their homeroom representative.

Dean Stanton

NEWS BRIEFS

On October 27 at the intersection of Friendly Avenue and Holden Road, Dean Stanton and her two sisters were in a car accident. Dean Stanton was in intensive care at Moses Cone Hospital nearly a week, but she went home Saturday, November 10, and is progressing very well.

Congratulations to Carol Clayton for winning Miss Christmas Seal at Grimsley.

The PTSA Christmas Dance will be held December 9 at Grimsley High School.
