Torchlight To Sponsor Talent Show

Torchlight, Grimsley's chapter of the National Honor Society, is sponsoring a talent show at 7:30 p.m. on February 19 in Grimsley's Auditorium. Working around the theme of America's Bicentennial, students will be displaying their talents in four different categories: group presentations, instrumental selections, song and voice demonstrations, and theatrical performances. Admission will be one dollar for adults and seventy-five cents for students.

Students interested in displaying their talent were asked to audition before a panel of Torchlight members on February 2 and 3. The students chosen by the panel as most talented will be those performing Thursday, February 19.

These students will be judged by five members of the community who are familiar with the talents involved on the basis of their poise, selection and presentation of the pieces as well as their degree of talent. The judges will each privately rate the students as excellent, good, or poor before discussing the

Thirty eight Grimsley musicians have been selected for the 1976 All-State Band.

Grimsley Tops All-State

The 1976 version of the All-State Band has been chosen and Grimsley has placed 38 of its band members on the honor band. This number is four times as many musicians than any other band in the Central North Carolina district. This district includes such cities as Durham, Raleigh, Chapel Hill and Asheville as well as the other area city schools.

All-State Band is comprised of two bands: the Wind Ensemble and the Concert Band. Fifteen students from Grimsley made the Ensemble, while 23 more are in the Concert Band.

Those people who are in the

Wind Ensemble are as follows: Cindy Morrah, Lisa Prago, Susan Carter, Scott Haviland, Susan Task, John Manly, Ed Hendrickson, Susan Weinstein, Martha Alspaugh, Joey Steel, Holt Mebane, Jimmy Symmes, Doug Baker, Ed Spears, and Philip Kalden.

The Concert Band is composed of: Sherry Task, Ruth Katzenstein, Karen Goss, Joyce Hager, Barbara Bartis, Maureen Long, Nina Heard, Vangie Barlow, Stephanie Decker, Steve Flynn, Tony Luper, Jean Powell, Rick Andrews, Bruce Herard, Bobby Shankle, David Buster, Bob Reeves, Alan Gillespie, Alan

Wagoner, Mike Buckovich, David Irvin, Bryan Guinn and Gene Sanders.

Auditions were held December 13 at U.N.C.-G, with the students coming from various cities around the Central North Carolina area. Each student who tried out for the band tested their skills in scales, a prepared solo piece and their ability to sight read music.

"On January 30..." those people who made All-State travelled to Chapel Hill to participate in a concert on February 1. The weekend was filled with rehearsals leading up to the concert at U.N.C.'s Hill Hall, which was directed by a guest conductor.

High IQ Team Selected

The High IQ Bowl for 1976 will soon be underway. Of 15 seniors trying out, the five students chosen as team members are: Bryan Fields, Susan Hauser, Phil Kaldon, Steve Miller, and Robert Wiggins.

The first stage of competition will begin Saturday, Feb. 21 at Elliot Hall on the UNC-G campus. Forty competing high school

teams from the WFMY-TV viewing area will be narrowed to eight teams.

Each team will be asked 100 "tossup" questions in isolation from the other teams, with each question carrying a value of five points.

Every correct toss up answer carries a chance of a bonus question. The eight highest

scoring teams go on TV competition.

According to Mr. Whisenant, Grimsley's team coach, 1975 was an "off" year. The team made the eight team cut-off but lost in the early TV rounds.

However, he observes that "we have probably fielded the most consistently strong teams through the years, having always made it to the TV rounds, and usually making it into the top four teams." GHS has been runner-up several times, but they won the championship in 1971.

High IQ Bowl, an annual event for the past ten years, is coordinated by GYC. The games are sponsored by NCNB, who pays for TV air time and provides a \$200 scholarship to each of the winning team members. One hundred dollars is awarded to runner-up team members.

Tryouts were open to all seniors. The team was selected by Mr. Whisenant after oral and written questions and a general review of their academic background.

A quick recall of scholastic information is very important in order to be a team member.

Sam Bounds Departs to Mississippi

When the head football coaching position was vacated at Grimsley two years ago, a man with a tremendous deal of patience and "football knowledge" was needed. The man chosen for this task was Sam Bounds.

Immediately following his graduation from the University of North Carolina (where he was a defense tackle), Coach Bounds was hired by Grimsley's former Athletic Director, Bob Jamieson, to teach physical education classes and to assist the staff of the floundering Whirlie football team. During his five year career at Grimsley, Coach strove for his "ultimate goal" - to have a winning season.

Although he barely missed achieving this goal, Bounds admires and respects every individual who assisted him in his efforts. To the administrative staff at Grimsley, Coach offers a very special thanks, "They let me run the program the way I thought it should be run." For the efforts of the cheerleaders, Coach had this to say, "The cheerleaders have just been super; they never let the spirit of the fans die, and they kept the team spirit up." Coach would also like to thank the fans as, "They were fantastic all year long." Coach Bounds didn't forget his players, "They gave all they had and I appreciate that. They're a good group of men, and I'm proud of the way that they gained the respect of all their opponents." Coach Bounds also appreciates the understanding given to him by the parents of the players.

Coach Bounds has numerous memories to take with him to his new job as Athletic Director and Head Football Coach at Raleigh Senior High in his hometown of Raleigh, Mississippi. Coach Bound's willingness to push himself as well as his players was the reason that Whirlie fans were given the taste of victory during his two year reign as head coach. He will be sorely missed, but his presence will have a positive effect on Grimsley football for years to come.

In other changes in the P.E. Department, Coach Sewell, a former Grimsley student and marine who joined the staff at the beginning of this year, has taken a job with the Pilot Life Company here in Greensboro. Coach Sewell taught physical education classes and also coached offensive and defensive ends on the Whirlie football team.

Replacing Coach Sewell is Coach Shelton, a graduate of Appalachian State University. Coach Shelton will take over Sewell's P.E. classes and will also help coach track until the end of this year. Coach Shelton hopes to get into Highway Patrol School next year.

Replacing Coach Bounds for the remainder of the year will be Coach Norris. Coach Norris. a
