The Multi-color float-type exhibits are really imaginative.

This year's homecoming has been gradually put together since last June, by a hard-working group of students under Tammy Murrelle. An extra-large committee of some 44 Grimsley sophomores, juniors, and seniors has gotten things in order for this Grimsley tradition.

The large committee is made up of eight "sub-committees". These various divisions include the Dance Committee, headed by Alan Blake; the Banquet Committee, headed by Andy Phelps; and the Projects Committee, run by Genie Doar. Others include the Programs & Invitations, Props, Publicity, Ticket Sales, and Voting Committees headed by Denise Dunn, John Hepler, Hank Howard, Linda Simon, and Mick Ennis, respectively.

Still another homecoming custom will be carried out this year with the distribution of chrysanthemum corsages at school, for \$1.75 each.

A DRINKING PROBLEM COULD KILL HIM.

The problem with drunk drivers isn't just what they do to themselves. The fact is last year the problem drinker was involved in the deaths of 19,000 men, women... and children.

At certain times, as many as one car in fifty is being driven by a problem drinker. (Someone who drinks too much, too often.) We've got to get him off the road.

You can support enforcement of traffic laws, and the national Alcohol Countermeasures Program. Better yet, if you know someone who's killing himself with alcohol—but hasn't yet killed anyone with a car—sit him down. Get into his head. Let us send you a booklet that tells you how to help.
