Queen Crowned

Amy Frazier was crowned Homecoming Queen at the game on Friday, October 26 at Jamieson Stadium.

The Queen's Maids of Honor were first runner-up JoAnn Engle, escorted by Danny Farley, and second runner-up Robin Benton, escorted by Michael Sturdivandt.

During the halftime ceremonies, the girls who were on the Homecoming Court and their escorts were driven to the fifty-yard line in antique cars. Here each couple was introduced to the home crowd.

Following the game was the Homecoming Dance with the successful band, Spirit.

Market Held

The Greensboro Youth Council (GYC) held its seventh annual Halloween Flea Market Saturday, October 27 in the Sears parking lot to give high school clubs a chance to make money for community work.

Grimsley was represented by the Serteens, Civitans, Torch-light, Y-Teens, and other groups. The average amount of money made in the sale was around \$75 with some clubs reporting up to \$300. There were over 10,000 items for sale.

Special features for this year's Flea Market included the Sears Halloween Costume Contest, a pumpkin cutting service, Karate demonstrations, square dances, and gospel singers.

Projects Raise Money

At the Student Council meeting on Wednesday, October 31, plans for the Thanksgiving Project were finalized and the trip to the Ronald McDonald House in Durham to help with maintenance was discussed.

The Thanksgiving Project, traditionally a Mr. Turkey contest to raise money for Thanksgiving turkeys for members of Grimsley's janitorial staff, was in doubt this year because the number of custodians at Grimsley was cut back and a cleaning service was employed part-

time. The Council decided, however, that there were enough custodians to hold the project.

Specified Council members will compete. Those raising the most money will be dubbed "Mr./Miss Turkey," and must dress in a turkey costume all day the Wednesday before Thanksgiving. This year's "contestants" are Ken Anderson, Glen Gorham, Devon Spaulding, Ronald Spruill, and Lee Coyle.

Also discussed at the Executive Council meeting was

the letter of apology from Page High School to McDonald's for Page students' participation in the food fight at McDonald's during lunch before the Page-Grimsley football game. McDonalds decided to have ten people from Page and Grimsley, including the student body presidents, go to Durham to help with maintenance of the Ronald McDonald House near Duke Hospital. The trip is scheduled for December 8. Maintenance will include lawn mowing, trimming, painting and such.

Sophs Sell Candles

The Sophomore Class will conduct a fund raising campaign beginning November 16. They will be taking orders for a variety of candles which give year-round enjoyment, including special selections for the holiday season.

The money received from this campaign will be used for Sophomore Class funds. In order for them to reach their goal, they need the help of everyone at school and in the community. Class representatives feel this will be an excellent opportunity for students to do some Christmas shopping early and easily.
