Ladies' Night To Treat

Coming! Saturday night, February 16, in Grimsley's auxiliary gym -- the Twirp Dance!

From 8:00 p.m. to 12:00 p.m., Grimsley's students will be entertained by Mike Long's Disco.

The annual Twirp Dance has been a tradition at Grimsley for years. It is a chance for the girls to do the asking, the planning, and the paying.

This year there will be a special added attraction. A group of young men will make up the Twirp Court,

and the theme of the evening will be "All the Queen's Men."

Twirp Court is an exclusive competition between ten senior men. Each senior homeroom has nominated five seniors, and the top ten of those nominated were announced at the pep rally on January 29. They are Jon Albright, Ken Anderson, Bobby Sanford, Lee Coyle, Craig Bugbee, Steve Austin, Mike Barber, George Harris, Ben Miller, and Jeff Gilbert. One of these men will become "Twirp King" and two

will become honorary "Dukes."

Much work has been done by the committee heads, Katy Clapp, Glen Gorham, Kelly Ferrell, and Lee Coyle in order to produce this dance.

Students Provide Services

The Clothing Services Class, otherwise known as the Advanced Sewing Class, will be sewing for the general public at affordable prices, beginning this semester.

Seamstresses can be found in room 522 during second or third periods each day, ready to make new garments or to do alterations on old garments. Students wishing the services of these sewers, can contact them by

leaving a note at room 522 or in Mrs. Garcia's box.

To help the sewing students practice their acquired sewing skills, each garment construction or alteration will be supervised by the teacher, Mrs. Garcia. The

Advanced Sewing Class, which lasts for two periods a day and gives the student two credits, may be taken by any student who has had

High I.Q. Team [l-r]: Conrad Newton, Steve Olsen, Martin Miller, Cathy Lux. Not shown, Mark Indermaur.

Beginning Sewing and is serious about learning to sew.

This class has made pillows for the kindergarten at Grimsley and cheerleading uniforms for Guilford Col-

lege, in addition to garments for their personal use.

This is the second year this class has been offered at Grimsley.

Governor's School

Eleven Participate

Eleven Grimsley students are among the city's representatives in final competition for the 1980 North Carolina Governor's School.

An intensive study program held during the summer, Governor's School caters to a select group of the state's exceptionally talented young people. Students are selected to attend through initial nominations by instructors and several screening processes. Nomi-

nations are made in two categories: academics and performing arts.

Grimsley's finalists in the academic category are Craig Fleishman and Lamecia Miller. Nominees for the performing arts and their areas of study are Michael Nelson Austin, percussion; Gwen Blount, viola; Debra Coles, French horn; Catherine Evans, drama; Lois Elaine

Key Club Plans Directory

The Key Club is planning a sophomore membership drive in February in addition to the Grimsley Student Directory which is due to be published during February.

The Serteens are planning a beach project. They are due to be officially chartered by the Sertoma Club during February.

The Civinettes are beginning fund-raising activities this month which include the sale of "Class of 80" t-shirts, a bake sale, and a planned inventory for foster grandparents.

Several other clubs are as yet undecided as to their projects this month or the dates of these projects. The O'Henry Juniors plan a tag day for cancer, date undecided. The Exchange Club is prepared to distribute over four thousand telephone di-

rectories upon a day's notice for Southern Bell. The Junior Jaycees plan to split wood or sell light bulbs.

The Jaycettes and the Junior Exchangettes as of the first of February had no definite plans for projects.

Olsen Leads Victory

The Grimsley Hi-IQ team traveled to High Point Central High School February 2 and captured first place out

of a field of forty teams in competition.

Led by the strong play of Captain Steve Olsen, Grimsley achieved the second best score in the history of the Hi-IQ Bowl, with an impressive 1,128 points. Asheboro High placed second with a score of 975 points.

By placing in the top eight, Grimsley will advance to the television rounds to be run in February and March. Grimsley will play Parkland, last year's winner, on February 13 at the WFMY-TV studios.

In order to qualify, each team had to answer eighty toss-up questions, with the chance of a bonus, divided into four twenty-question rounds.

Members of this year's Hi-IQ team are Mark Indermaur, Cathy Lux, Martin Miller, Conrad Newton, and Steve Olsen.
