Amid roving minstrels and the cries of "Wassail! Wassail!" the GHS Choral Department is inviting the public to begin the Holiday Season this year by attending the second annual Grimsley High School Madrigal Dinner. The festivities will be held November 28 and 29 at the First Christian Church on West Market Street from 7:30-10:30. Reservations are to be made through Ms. Force, and the cost is \$10 per person.

Invited to return to the fifteenth century for a courtly dinner, participants are

encouraged to dress in period costumes as are the performers. For the men this would include longsleeved shirts, tunic tops, shorts, long tights, and pointed shoes. Men's dress was more flamboyant than women's for the ladies costumes include long dresses, empire waists and long printed hats.

Couples will be announced and taken to their table by their personal servant. A Lord and Lady will preside over tables of eight persons, GHS Madrigals, court jugglers, magicians, acrobats, and an authentic sword fight are a few of the evening's highlights.

According to Choral Director Ms. Marta Force, "It was a delightful affair for last years' 100 attendants, and even more fun and frolics are expected for this year!"

Student Council Discusses Activities

Booster Club representation, the Little Four Dance, and School Beautiful were three topics most recently discussed by the Student Council.

School Beautiful is the project that the Student Council would like to emphasize the most this year. Interclub Council President, Chris Payne, said all School Beautiful plots will be reassigned to clubs after they have been mapped over. Payne also mentioned that presently the parking lot is in need of a clean-up. School Beautiful also includes cooperation on the part of the students by putting trash in its place in order to keep the campus clean.

Catherine Evans, Pep Board Chairman, attended the last Booster Club meeting and reported to Council that representation from each sport presently active is needed at the meetings. The Booster Club is a groups of

parents and supporters interested in sports, team schedules, and activities.

The Little Four Tournament will be held mid-December this year. Like every year in the past the Coliseum

Grimsley Clubs Plan Many Projects

The Grimsley service clubs have undertaken numerous projects for the 1980-81 school year.

A common endeavor will be the maintenance of an assigned plot on the school grounds. Many clubs will also participate in the Christmas Toys Program sponsored by GYC.

Beginning this year, the Exchangettes are sponsoring "Whirlies of the Month." Each month they select a student and a faculty member who have displayed outstanding school spirit and are deserving of recognition. The Exchangettes also bake food twice a month to put in

the teacher's lounge to, according to president Missy Chandler, "sweeten up the teachers."

The Exchange Club, under the leadership of David Dockery, has chosen to sell mugs as their fund-raising project. Some of the members sold T-shirts at the City Stage Celebration in October as a community service.

Selling Grimsley T-shirts was a successful fund-raising project for the Y-Teens this year. Led by president Elesia Brandenburg, the Y-Teens plan to sing Christmas carols at Evergreens Nursing

Home. The Club also plans to hold a fashion show in May.

The Serteens have been busy selling candles. The money earned is to be contributed to the Sertoma Club in memory of Mike Barber's father. Directed by president Glenn Gorham, the Serteens plan to sponsor a Christmas party at a nursing home. Following the party they will take the elderly to the Duke Blue and White basketball game at Grimsley.

French Club

Grimsley's French Club, L'Academe Francaise, held its second meeting on November 13. Guest speaker was Dr. Roch Smith, professor of Romance Languages at UNC-G. Dr. Smith spoke to the members about cultural traditions in Quebec.

The December meeting will include French carolling and the club's annual Christmas party.

SSBAG

"We will all work together. . .," were the concluding words Dr. Ken Newbold shared with the 1980 SSBAG

committee at its first leadership training meeting held October 24. SSBAG represents the students in discussing systemwide problems such as scheduling, lunches, and the present school calendar.

English Seminar

Ms. Lynn Tanner, of Grimsley's English Department, and Mr. Herbert Hazelman, former GHS band director, were guest speakers for a seminar held in Mrs. Mary Tom Hoffler's second period World Literature class November 5 and 6.

The seminar was one of a
