

1981-1982: A Year In Review

By Andrew Miller

Grimsley Athletics and winning have become a tradition, and the 1981-1982 campaign has been no different.

With no varsity team suffering from a losing season, Grimsley again is the front runner for the area sports excellence award - The Greensboro News - Record Cup. A combined winning percentage of .679 in winter and fall sports already completed, Grimsley holds a wide margin over city and county rivals, Page and Western Guilford.

The Whirlies are making their presence known for the state wide competition in sports excellence, the Wachoiva Cup. They are currently in third place behind Chapel Hill and South Mecklenburg.

Football

For the first time in three years Grimsley's varsity football team finished its year with a winning record (6-4), and a post season appearance. The Whirlies participated in the Division II playoffs against High Point Central but were defeated 31-7.

Throughout the year they were led by senior quarterback Brian Herndon. Herndon threw for nine touchdowns and ran for three others. David Moore, a junior tailback, rushed for 518 yards and three touchdowns.

Joe Dingle, Rob Gay, and Kurt Breitenstein combined for 623 yards in receptions, and seven touchdowns.

Cross Country

The cross country team, which finished second in the state, won the central-state conference meet for the fifth year straight, placing six of their runners on the All-Conference team.

Junior Allen Ford finished fourth in state with a time of 15:38 for the five kilometer course. Mike Moses and Tim Fry were sixteenth and seventeenth respectively.

Tennis

The Whirlies girls tennis team ended its year undefeated in conference play (10-0), and 11-4 overall. Advancing to the sectional were Lisa Miller and Barbara Bulla in singles, and doubles partners Anne Treadway/Kim Saylor, Holly Everton/Ginny Wade.

Miller, however, was the lone whirlie to advance to the regionals where she was upset in the early rounds.

Coach Lynda Tamblyn enjoyed a season that only can be described as a winning one.

Wrestling

Both David and Larry Schneiderman advance to the state finals. David won his second state title in as many years. His 132-pound weight has never had such a dominate wrestler in its history. Larry fell short, but finished a respectable third.

David three year record was outstanding. With 83 victories to go along with only five defeats, and winning 16 of the 19 tournaments, David finished a consensus All-State wrestler.

Larry's impressive record of 85-15 made him a two-time sectional champion, and Regional winner this year.

Basketball

Before this season began head basketball coach Phil Weaver said "This team is very hungry." Hungry they were, as to everyone's surprise they finished their season with a 19-7 mark.

"And what would you do on such a drab day?" Pausing, but hearing no response, she continued. "Couldn't play golf, couldn't work in the yard. Let's see, you would work a crossword, wouldn't you?" She unfolded the paper to the daily puzzle. "Always hated these

"Where are you? Don't you want to do this puzzle? Hurry, your coffee is getting cold," she said dazed.

The following week and hot and dry. The grass needed to be move. the tea kettle sat undisturbed. The paper lay unread. No echoes could be heard. Only the sweet fragrance of her roses was left. That is the way she would have liked it.
