Volleyball team sets up play.

by Greg Hoover

The Grimsley volleyball team completed their regular Conference season with their second victory over West Forsyth, a match that ended with a score of 15-2 and 15-1. The team played three pre-season matches against Page, Raleigh Sanderson and

Raleigh Broughton with only a single loss to Raleigh Sanderson. Grimsley beat South Stokes twice, Dudley twice, one loss and a win to Parkland, Andrews twice, and West Forsyth twice. The team played a total of ten matches leaving their Conference record at 9-1 and their overall record at 11-2.

On Tuesday 17th and Wednesday 18th, the tournament will be held at Parkland for all the teams

in our conference. Parkland won a coin toss, between Parkland and Grimsley, that determined where the tournament was to be held. The tournament will deter-

mine, by single elimination, which team will proceed to the State play-offs. Grimsley will not play on Tuesday, our first match will be on Wednesday. "Our chances of winning the tournament are very good," said coach

Addison, "Our only real competition will be against Parkland. Right now Parkland and us are tied for first. All of our girls are peaking out and that makes our chances even better at the beginning of the season. I feel we have

a strong team, with seniors like Andrea Bryant, captain Denise

Ford, Angela Polk and Liz Stiles.

At first we were lacking good setters but Cindy Shepherd and Tina Leonard, both juniors, really came through for us. Sophomore Mary Anna Arthur was our back up setter."

In order to go to the State play-offs the volleyball team must win the tournament. In the State play-

offs there are 3 rounds, plus the finals when four teams meet at a designated site and play.

Debbie Southern is the team's scorekeeper, and Amy Lee is the trainer. "Amy has been to every game and practice we have had," says Addison, "She deserves some credit."

Cross Country goes 47-0 over eight years

by Paris Davis

The Boys Cross Country team experienced their 47th win with no losses at High Point Andrews October 10. The team has not lost since 1977. Andy Reed was the

team leader, followed closely by Paul Bates, John Leone, Derrick Leonard, and Pat Goodwin. All five runners have been consistently strong through out the season.

The girls scored a victory against Eden Morehead in a dual meet October 9. Stacey Watkins came in first with a commanding lead followed by Maureen Musgrove.

When talking with Coach Smith, he commented on how well the team has done this season. "The team has ex-

perienced great success on the first month of the season. As of October 10, 1984 the boys were undefeated and unscored upon in

the conference." The Whirlies have been undefeated.

Coach Smith mentioned how well runners Andy Reed, Paul Bates, John Leone, Derrick Leonard, Pat Goodwin, Bennie

Carver and John Strassed have contributed to the team.

He also said that the team has done very well in the three large Saturday invitationals in which they have participated in.

According to Smith the girls team has done well also. They began their season with a defeat of Page and remained undefeated by outscoring Eden-Morehead.

Smith made statements that the girls have shown themselves to be one of the better teams in the state.

He confirmed that Jennifer Poole, Stacey Watkins and Maureen Musgrove have consistently led the team with help

from Susan Rutishauser, Andria Platy, Alison Shale, and Stephanie Hoback.

This long run of success has brought the Grimsley Cross Country team attention and

popularity which seemed a long time coming. It has made them one of the best cross country

teams in the state. In the future these records will keep Grimsley number one.

Soccer team improves season record

by Chris Sieredski

With only two minutes remaining in the game it seemed as if the soccer game against High Point Andrews was going into over-

time. However, the Whirlies gained hope as Mike Woodell scored the winning goal, with the assist of Steve Mann. The game ended

in a Whirlie victory with the score 1-0. This win improved the team's record to 9 and 3. After this victory Grimsley moved into first place in its conference.

The Whirlies' offense was led by Senior Larry Reece, Junior Mike Woodell, and Sophomore Marcelo Diodati. The defense

was led by goalie, Josh Prago, who had an outstanding game by not allowing Andrews to score.

Prago, letting only 9 goals go by this season, has been the key to the Whirlie defense.

The young Whirlie team, consisting mainly of sophomores and

juniors, has given many strong efforts by taking 357 shots at goal. However, only 55 of these shots have been scored on opposing teams.

Reece and Diodati have been the high scorers on the team. Reece has scored 15 goals out of

69 shots. Diodati has scored 8 goals out of 61 shots. Mike

Woodell and Ken Jones have also

been helpful to the Whirlies in scoring many goals.

At the beginning of the season, Herk DeGraw, head coach for the

Whirlies, had hoped the team would have a strong season. As they have proceeded, the team has proven this to be true. They hope to continue their strong season as they enter the state playoffs in November.
