Chatterbox

The Princeton Review revealed in a press release last week that anyone who took the SAT after 1983 needs to have his or her score reevaluated. "It came to our attention that the scores we mailed to students were merely arbitrary numbers, and in no way relevant to the students' actual performance. Sorry," said Mr. Don T. Care.

Prom will be held at Skateland USA on Stagecoach Trail again this year. The Dice Game will be played, and Prom guests are invited to eat as many nachos and as much cotton candy as they can hold, on the house. The winner of The Hokie Pokie will be named Prom Queen. If you want to practice for the big event, the PTSA is sponsoring a "Skate Night" next Tuesday at 5:30pm.

There will be no student parking at Grimsley next year. The student parking lot will become bus parking for the 1997-1998 school year. The administration felt that driving on campus has become too reckless. "In an effort to make our campus safer, all students will be required to ride the bus to and from school," said an anonymous administrator. Tardies are expected to plummet.

Grimsley Guidance Center is proud to announce finalists for the Excellent Achievement Award. The new scholarship, sponsored by various civic organizations, including the local Wild Bore Preservation Association, will give over \$35,000 to: Willa B. Loser, Eileen Dover, Seymore Pitts, Hugh Stink, and Bea Quiet.

The prestigious Ima Fascist Award applications are now in the Guidance Center. The application requires an up to date FAFSA, a current resume, an essay entitled "Why Mussolini Rocks," and a 3x5 picture of applicant in a brown shirt.

The administration is proud to announce, as part of the "We Can Relate" plan of interaction with students, that they will be joining the seniors at Myrtle Beach for Spring Break. They will be staying at the Blue Seashell, just two blocks from Red Tree. Everyone is invited to kick-off the week with an ice-cream social on Saturday night at the Seashell pool.

Coliseum loses millions as ACC comes to Grimsley

By Sarah Backwoods and Kelly Cannoli

In case you haven't noticed, on Thursday, March 6, the Maryland Terrapins were practicing in our gym. The players claimed that their ability to make it to the second round of the '97 tournament was a direct result of their productive practices at Grimsley. Afterward, Maryland requested that Grimsley host the entire ACC Tournament next year.

The second string players were particularly enthralled with the spotless, fresh smelling restroom facilities. Dookis A. Sukyteem, the player on the team with the highest grade point average said, "I could have sat in there all day."

The estimated profits of hosting the tournament next year are \$900,000 for Grimsley. When asked about the loss of the tournament at the Greensboro Coliseum, unpaid official, I. M. Phuluvit said, "That's O.K.. We have the annual gun and boot greasing contest to keep us busy." Grimsley will be using their profits for a 210% raise in teachers' salaries. This prompted a rush of submitted job applications for next year. Mrs. Teague's desk is completely covered in resumes and

bribes, and Roseanne Barr's application is at the top of the pile. Barr said that she always wanted a career that would benefit society, and now that teacher pay will actually meet the minimum standard of living, she must jump at the chance.

counting for the \$10.00 increase in ticket prices. Any fan not in the 12th grade will promptly be given ACC detention if they eat their refreshments off campus. For the second offense they will receive two days OSS, not to be confused with the "Only State Stinks" convention.

The ACC Board decided to incorporate a major half-time show with appearances by New Kids on the Block and Rush Limbaugh. They are playing in a combined performance, including a variation on NKOTB's popular song, now dubbed, "[Rush is] The Right Stuff." Administrators are having a tough time deciding how traffic will flow, seeing as how no one is allowed to use the Service

Drive. But it will help after we tear down Jamieson Stadium to make room for parking. Sports fans will be able to utilize the long-awaited freshman elevator that the administration plans to construct.

Many students are excited about seeing their favorite college players next year. Ali Sure, a fifth year sophomore said, "Seeing Wo Jo will be neat-o, but I'd rather get an autograph from Rush. Danny's also pretty hot."

Terrapin says, "Gimmie the rock, baby," to a team member during practice in the GHS gym.

Other proceeds will go towards maintaining toilet paper in all the bathrooms, hiring an individual to establish a feasible tardy policy, and installing drain pipes for when it rains, eliminating the Swamp Grimsley problem. Student suggestions are now being accepted in the Attendance Office, but get there before 8:30 A.M. or you'll get The Locked Door.

Lucky 32 will be providing concessions during the tournament games, ac-
