

1988 FOOTBALL

Elizabeth City State

Last seasons 3-8 record did not give sixth year Coach Thurlis Little much to be proud of in "Vikings Land". If it were not for the now defunct St. Paul's College squad the end result would have been a last place finish in the tough Northern Division of the CIAA.

of its defensive unit. They have been picked by everyone with an opinion to finish dead last.

The Vikings plan to sail on the arm of senior quarterback Bill Wilde (6'3", 210) and Pre-season All-CIAA receiver, Robert Tiller (5'8", 170). Last season Wilde was the second

target of a year ago returns in wide receiver Robert Tiller. Tiller hauled in 22 receptions for 220 yards last season for the Vikings.

There is some hope for the Viking's rushing game in the legs of Rodney McNeil. McNeil, a short yardage specialist bruised opponents with five TD's last season.

McNeil's productivity may increase, but if so 6'3", 260 pound Landon Miales must open holes as he showed last season in the Vikings trenches up front.

The Vikings will be respectable offensively. There big question mark lies with an inexperienced defense.

The Vikings plans to sail on the arm of senior quarterback Bill Wilde and pre-season All-CIAA receiver Robert Tiller.

Coach Little has "little" pressure on him this season, now that St. Paul's has discontinued it's football program. He and his Vikings are not expected to win many ballgames this season due to the loss of most

leading passer in the conference connecting on 142 of 322 passes for 1829 yards and 14 TD's. He was also second in the conference in total offense averaging 148 yards per outing. Wilde's favorite
