Anniversary Issue

The AC Phoenix Staff writer Dennis Schatzman looks back to 1983 when two News Argus writers from S.S.S.U. help to introduce a fresh new approach to area Black Media. See Page 4.

The Aggies are not expecting a banner season, but new Head Coach William "Bill" Hayes will make the 1988 season interesting for A & T fans and alumni. See page 17.

The MEAC has had five different champions within the past five years. This season the Howard Bison could be the leagues first repeater since the S.C. State Bulldogs. See Page 7.

On The Cover

The WSSU Rams have entered a new era in their football program as Pete Richardson takes over the reigns after a successful career by Bill Hayes. Earl "Air" Harvey has become the most prolific passer in CIAA history and Division II's All-time leader in total offense. Harvey has the Eagles flying high going into the '88 campaign.
