The Merriest Christmas and Happy New Year

1988 AC Phoenix Senior Citizen Of The Year

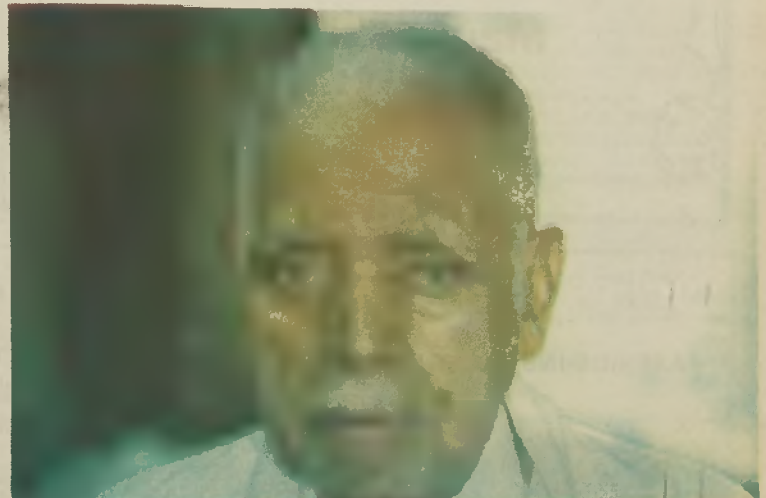

C.E. Graham, 90, is the 1988 AC Phoenix Senior Citizen of the Year. Graham was chosen by the AC Phoenix staff because he exemplifies the attitude and values that we want to live by. Mr. Graham, who still cuts hair at Graham Brothers Barbershop, at 220 E. 4th St. daily, always has a kind word or words of wisdom for all that sit in his chair. He is

not only a barber, he is a listener, a philosopher, a counselor and someone you can call a dear friend.

C.E. Graham is a firm believer in education. He often talks about sending all eight of his children to college. He often ends this saga by telling that seven of the eight received a degree. The one that did not graduate was

drafted into service close to the time he would have completed his curriculum.

Mr. Graham is a member of Mt. Zion Baptist Church, where Dr. Serenus Churn is pastor. Mr. Graham, who drives a '57 Chevy, credits long life to good clean living and hard work.
