(Above) Psyche, lead singer and flutist for Truth and Rights out of Greensboro, NC, beats his soul into a traditional Roots Tune.

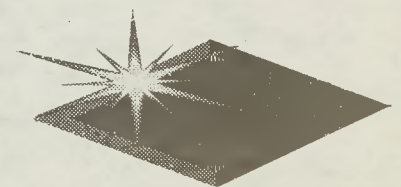

(Left) Super Cat, the national recording artist and Jamaican Dancehall King, sweats to move the crowd as temperatures swell around the 90 mark.

The July Sun was hot, but the Reggae was hotter as Bowman Gray Stadium played host to the 18th Annual Reggae Festival.

The Festival featured local bands, KWANZA, the 919 Band, and the Truth and Rights Band. It also featured the Razor Posse of Richmond, VA and national recording artists Dule Myster, Culture and Super Cat.

(Above R.) Drummer, "Drummic Zeb" and (Above L.) Bassist, "Yellow Moon," Hafiza of the Razor Posse back-up the ripping vocals of lead singer/rapper, "Papa Robbie," Robert Ellington. Razor Posse of Richmond, Va, gave a high energy performance of Jamaican Dancehall, Roots and Rap.
