

Top Priority Community Outreach Services, Inc.

"Reaching and Serving the Community is Our TOP Priority"

Our Vision

Is to reach and serve the community holistically, realizing the importance of addressing basic human needs and providing direct assistance.

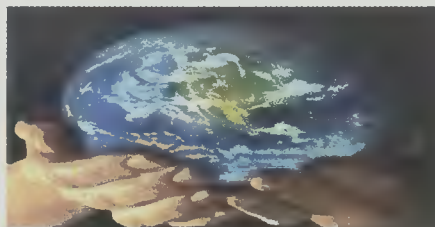

Our Mission

Is to reach and serve individuals, families and the community by:

-empowering skills acquisition
-moving from dependency to independency
-moving from being reactive to being proactive
-reaching out to grab the dream
-seeking to educate

*We will **Reach** the community by... making outreach visible and available.*

*We will **Serve** the community by... making resources available that assist, uplift and build the capacity of individuals and families.*

SUPPORTED EMPLOYMENT AND EMPOWERMENT PROGRAM—S.E.E.P.

Purpose:

To provide employment opportunities to individuals with challenges while improving the quality of life by maximizing the potential for increased economic self sufficiency.

Goals:

- To provide individuals with challenges the opportunity to be gainfully employed in an integrated setting.
- To provide training and services in the community so that the skills are learned in the environment in which they will be used.
- Empower and encourage individual choice and determination to maximize the individuals strengths and abilities as well as management of symptoms.
