CONCENTRATE ON THIS SENTENCE

To get something you never had,
you have to do something you
never did.

When God takes something from
your grasp, He's not punishing you,
but merely opening your hands to
receive something better.

Concentrate
on this sentence.....

'The will of God will never take
you where the Grace of God will
not protect you.'

Something good will happen to you
today.

This Devotional is made possible by these businesses who
encourage all of us to attend worship services
