

Sam Gomez: A Good Insurance Man

[continued from frontpage]

As the Gomez family prepares to do tribute to the women of his family and to celebrate March being Women's History Month. He is honored to introduce you to these amazing women. His better half, Cheryl, is a truly gifted artist and entrepreneur, she has her own company, "From the Vine Design". Visit her website to see samples of her work fromthevinedesign.com.

Their oldest daughter, Tiffanie, is an amazing family photographer and works and lives in the Pinehurst, NC area. Their middle daughter, Christina, is a blessed wedding photographer she and her husband David live in Charlotte. They shoot weddings in NC, VA and SC, her website is www.ctaylorphotography.com. Our baby girl, Kaylyn, is a chef at the new Five Points Restaurant in Winston-Salem and will be graduating from GTCC with a degree in Culinary Arts and Hospitality. "My list wouldn't be complete unless I included my daughter-in-law, Hollie. She, my son, Justin and their two boys live in Winston-Salem where she works as a counselor with the at risk community."

"Not only are these women talented but they are a very giving, did I mention they can sing too. I am a blessed man, God has graced me with beautiful (inside and out) and amazing women in my family and for that I am truly honored and thankful."
